Sign in

Get in fast with a one-time code.

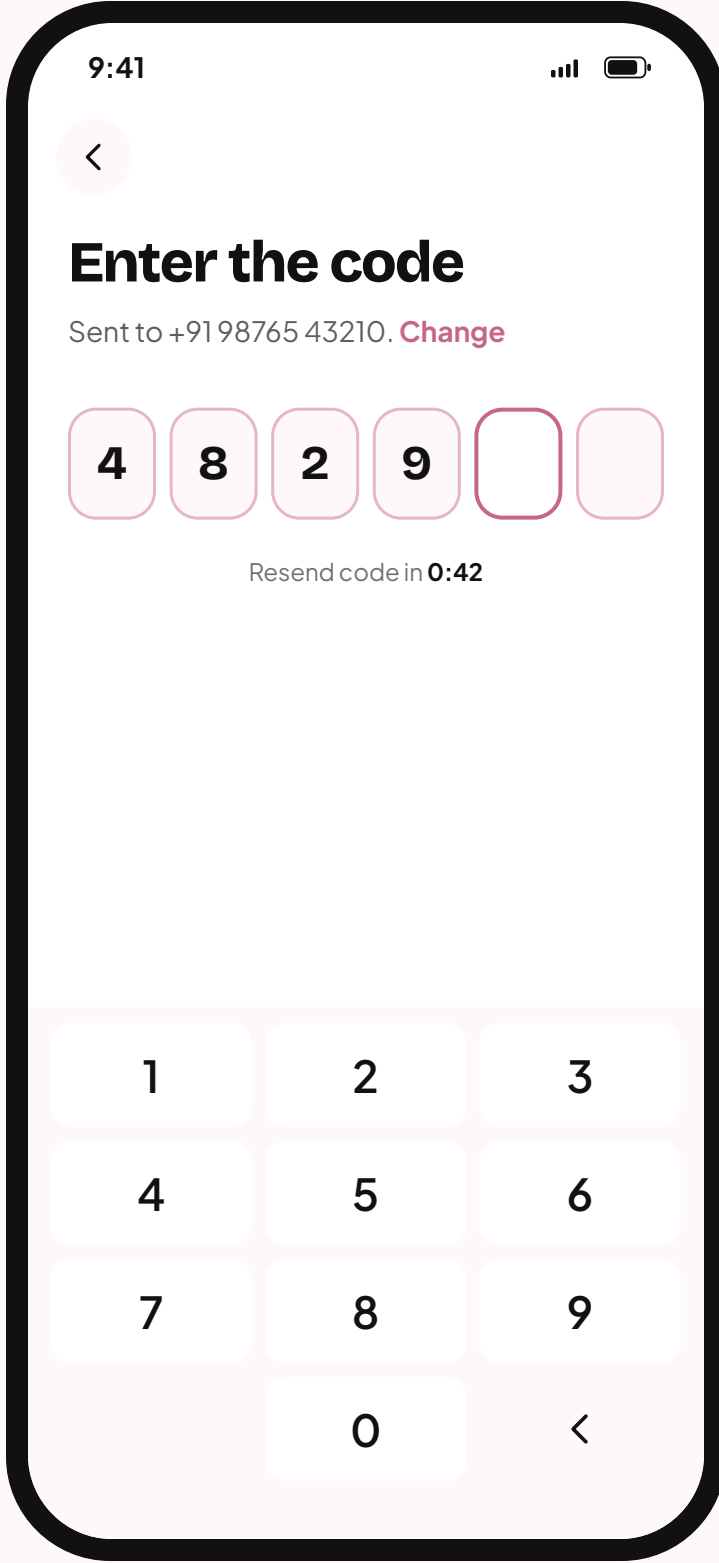

01 Welcome

First screen. Two ways in, 18+ reminder.

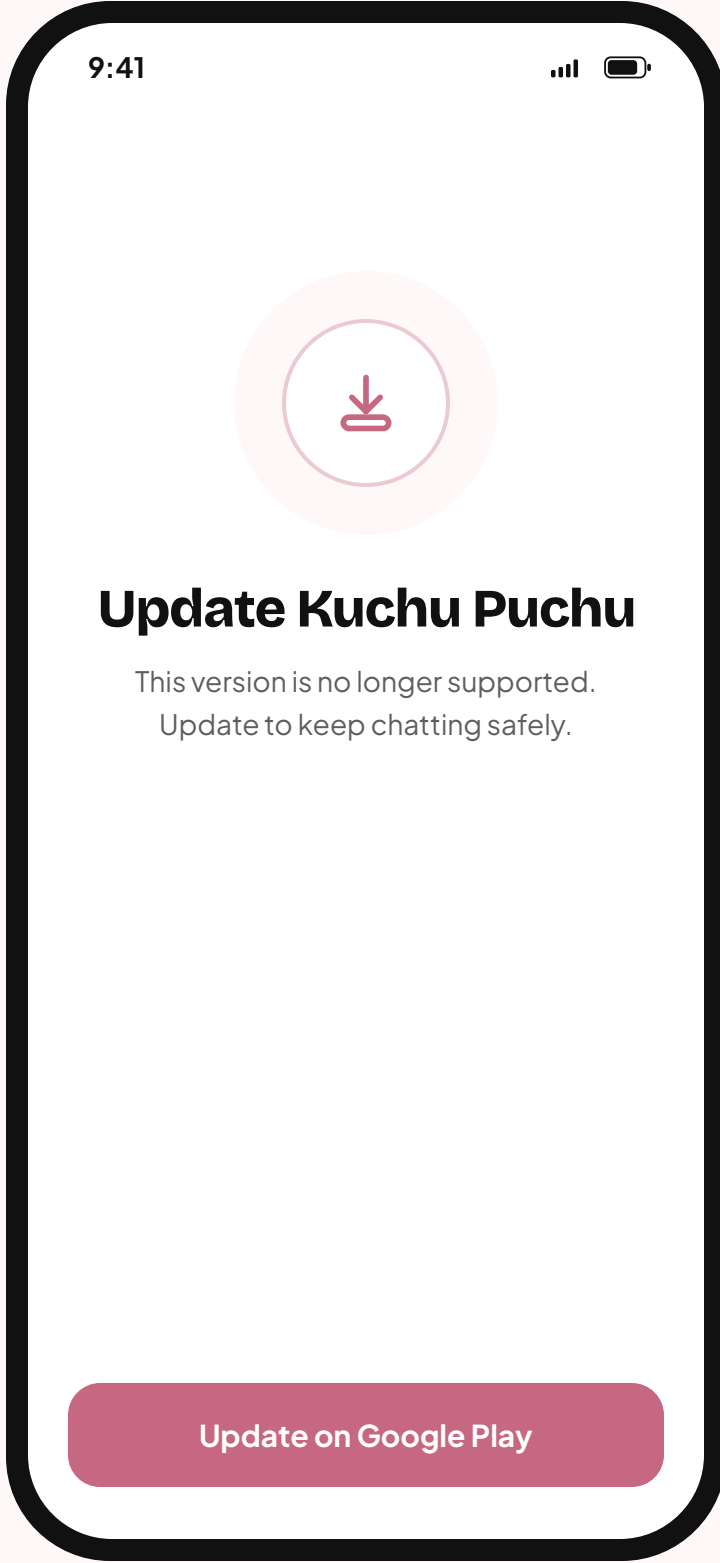

02 Sign in

Phone or email. The same reply for every number.

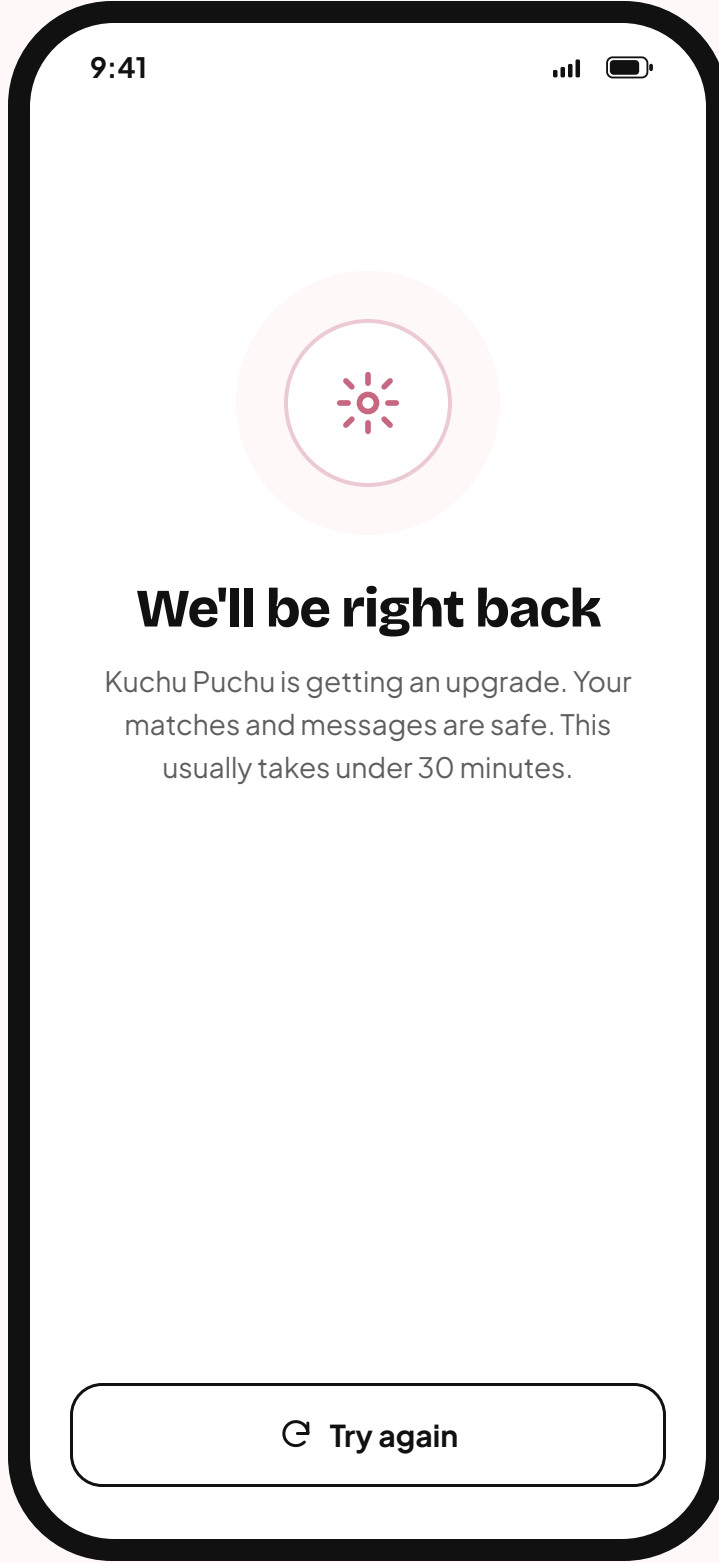

03 Verify code

Autofill from SMS, resend after 60 s.

04 Update required

Shown when this version is no longer supported.

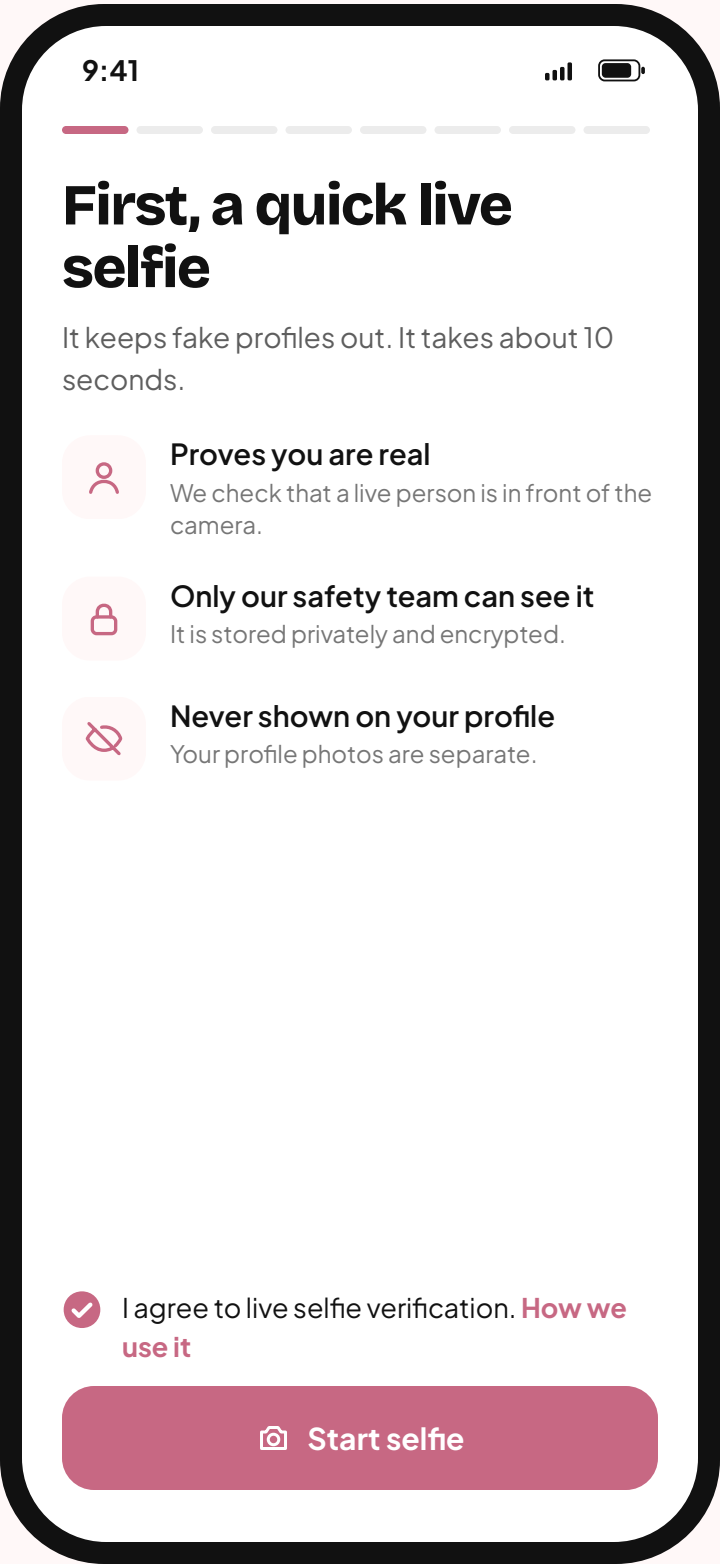

05 Maintenance

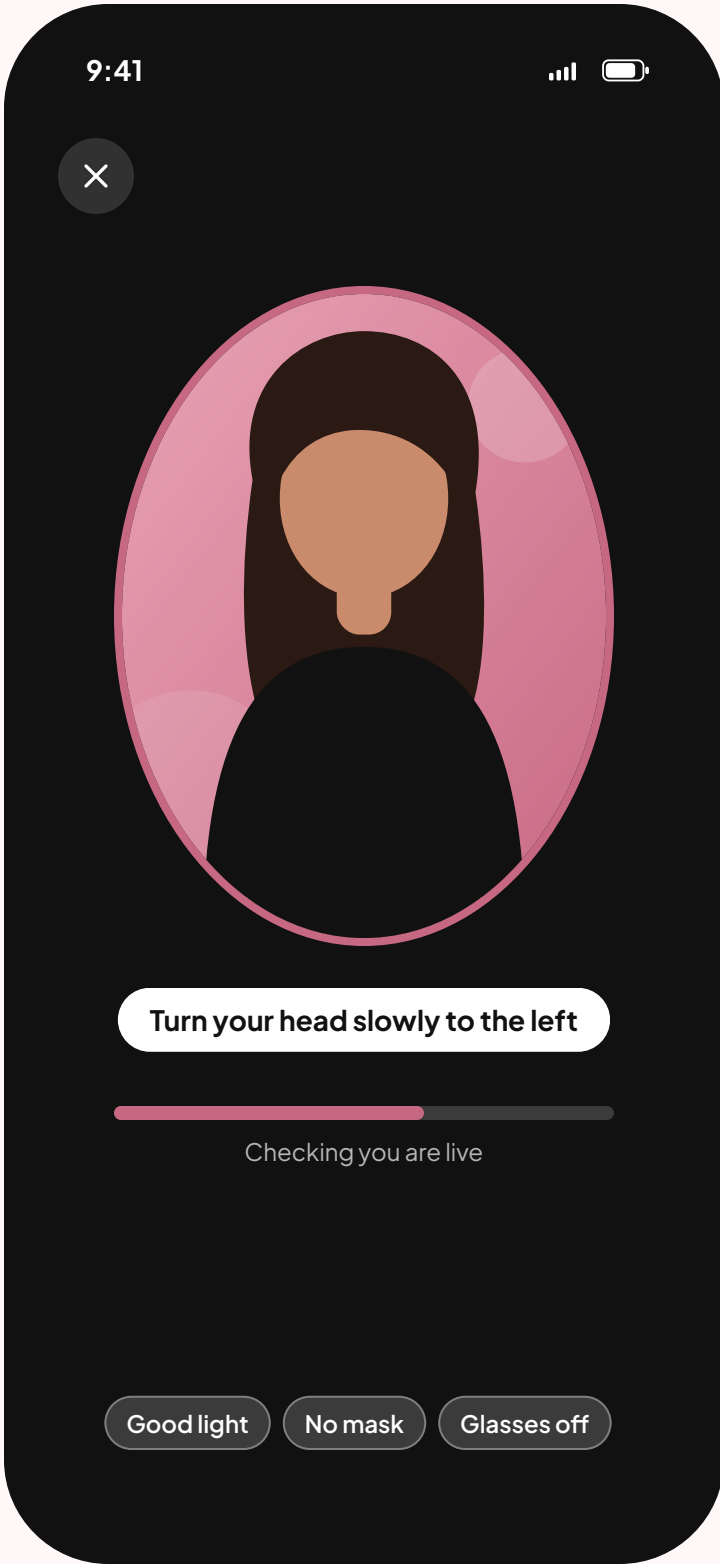

Planned downtime message.

Live selfie and photos

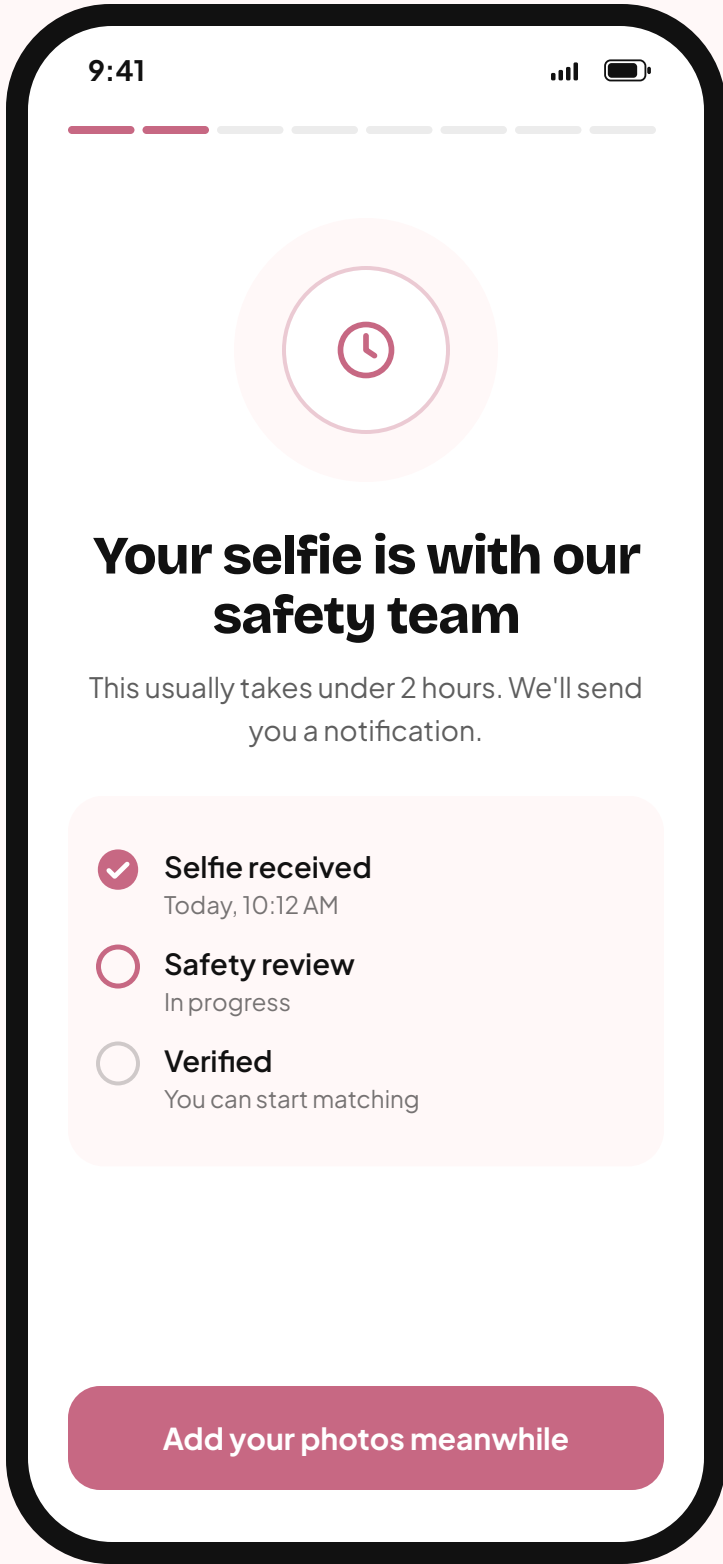

The verification gate every new user passes.

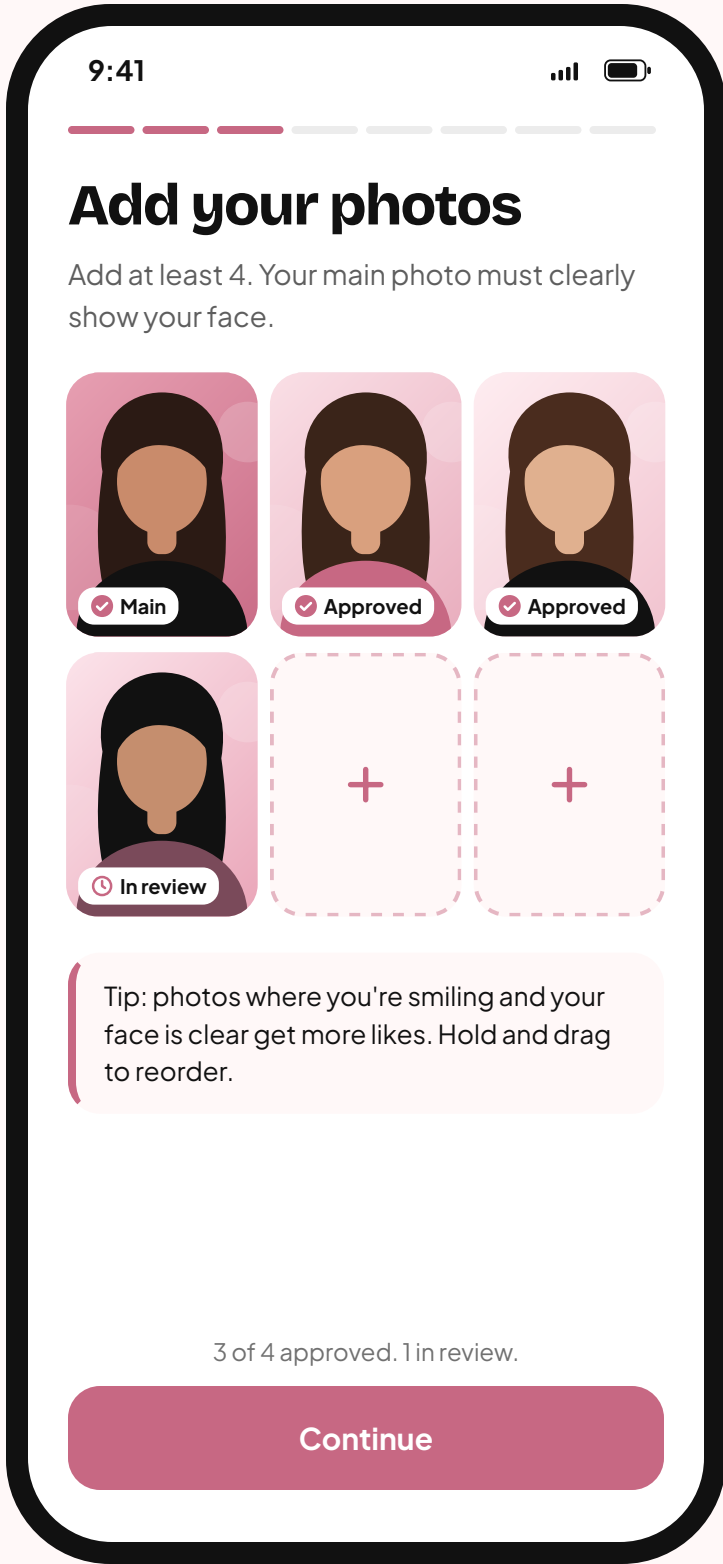

06 Consent
Explains the selfie before the camera opens.

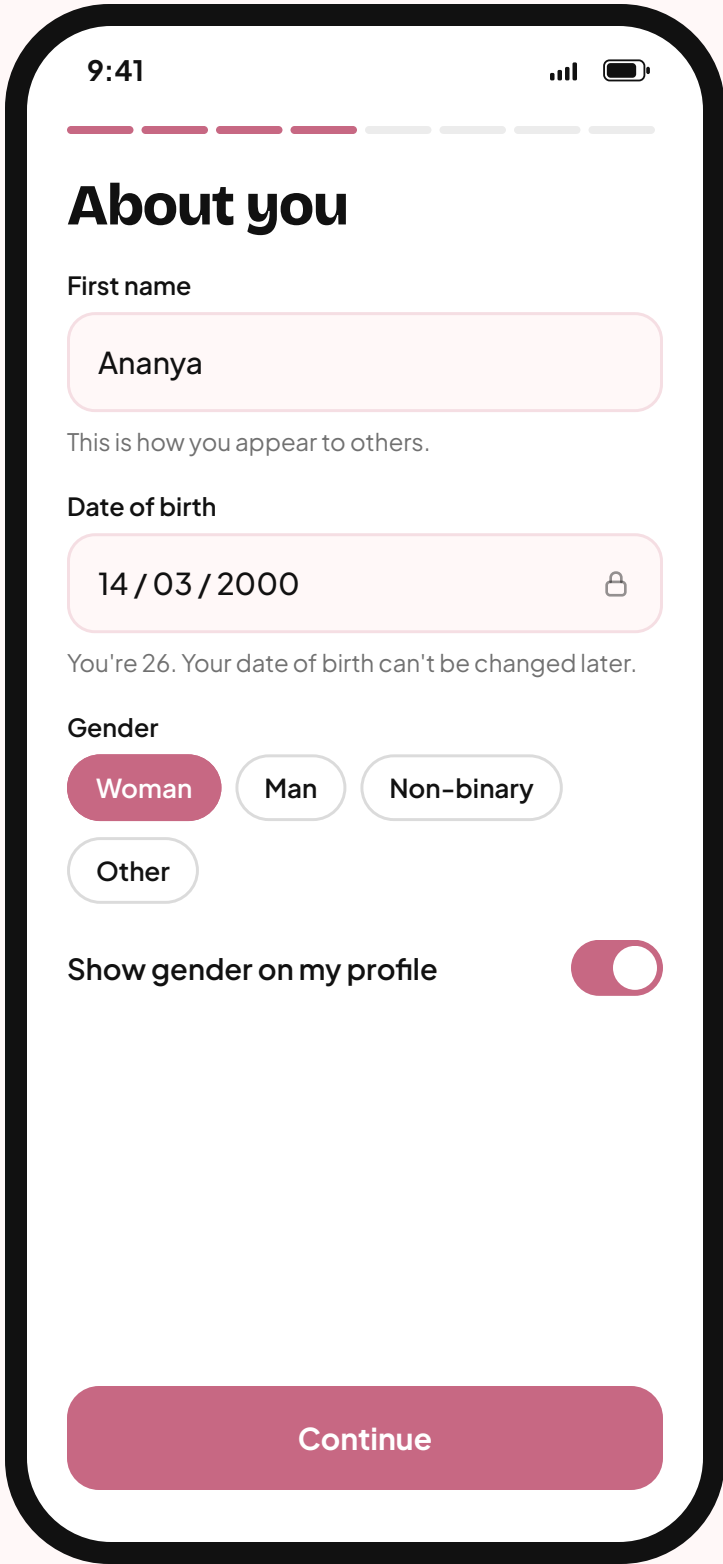

07 Live selfie
Camera only, random head movement.

08 Selfie in review
Shown when the score needs a human check.

09 Photos
Minimum 4 approved. Main photo must match the selfie.

10 Basics
Date of birth is locked after saving.

11 About you

Bio, work, study and what you're looking for.

12 Interests

Pick 3 to 10. Shared ones are highlighted to matches.

13 Prompts

Up to 3 answers. They make first messages easier.

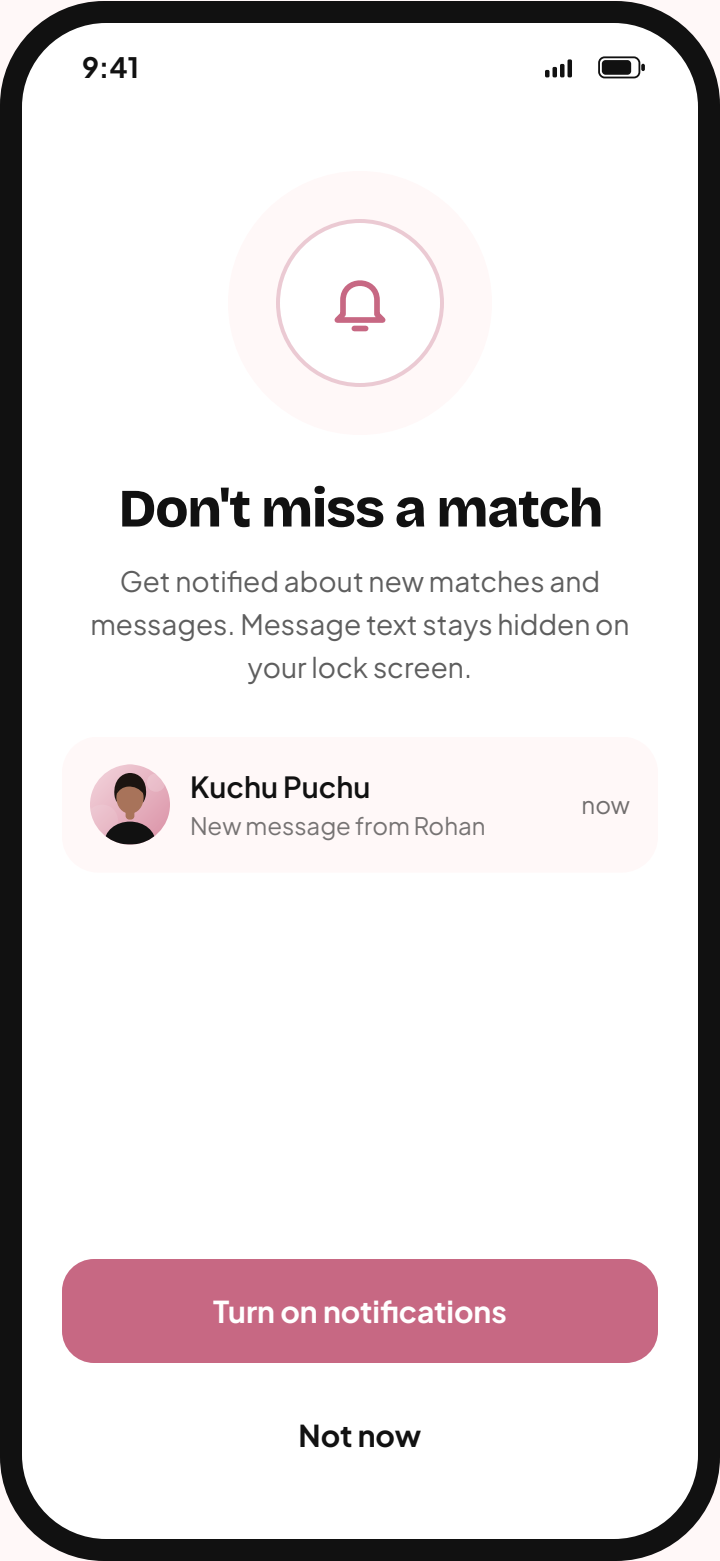

14 Preferences

Who you see. Paid filters are shown locked.

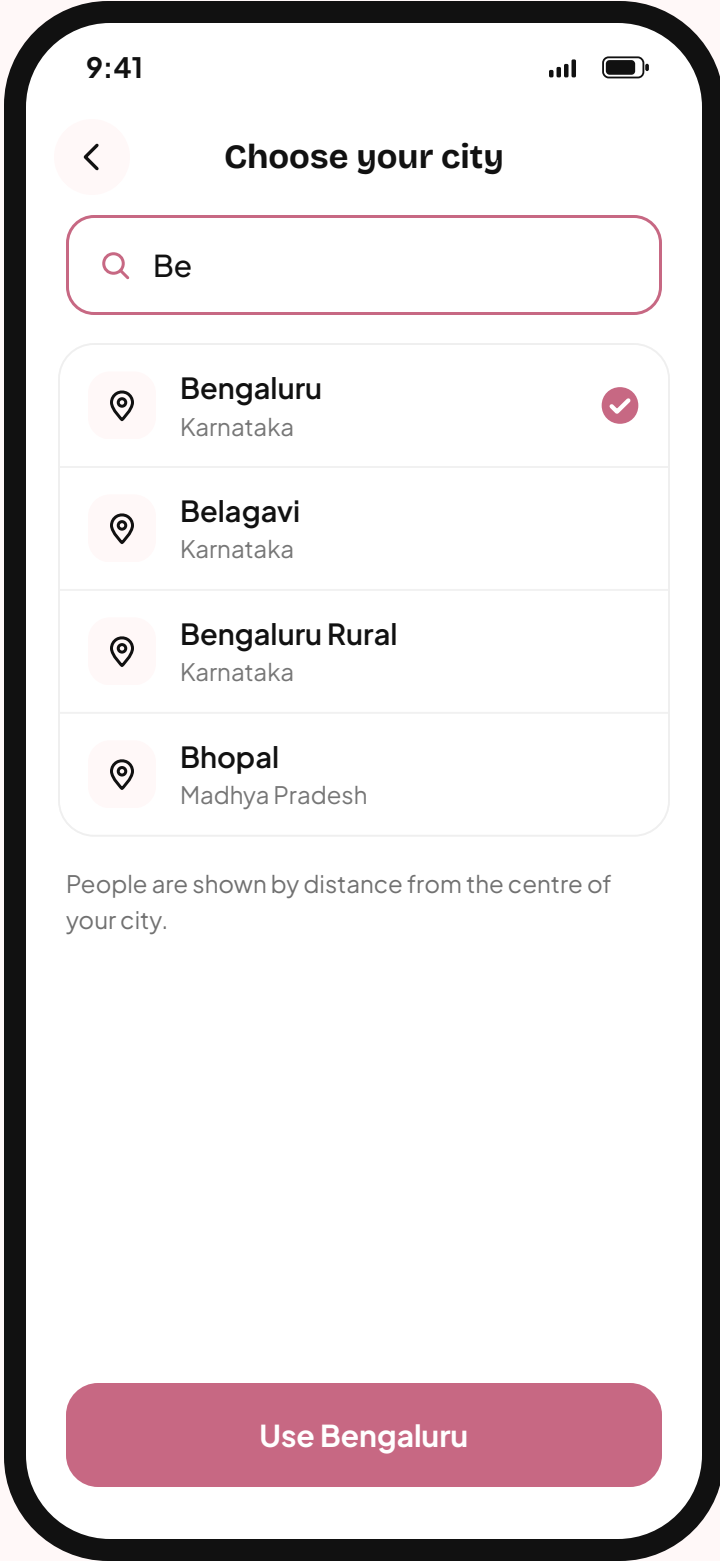

15 Location
Approximate area only. City fallback if denied.

Discover

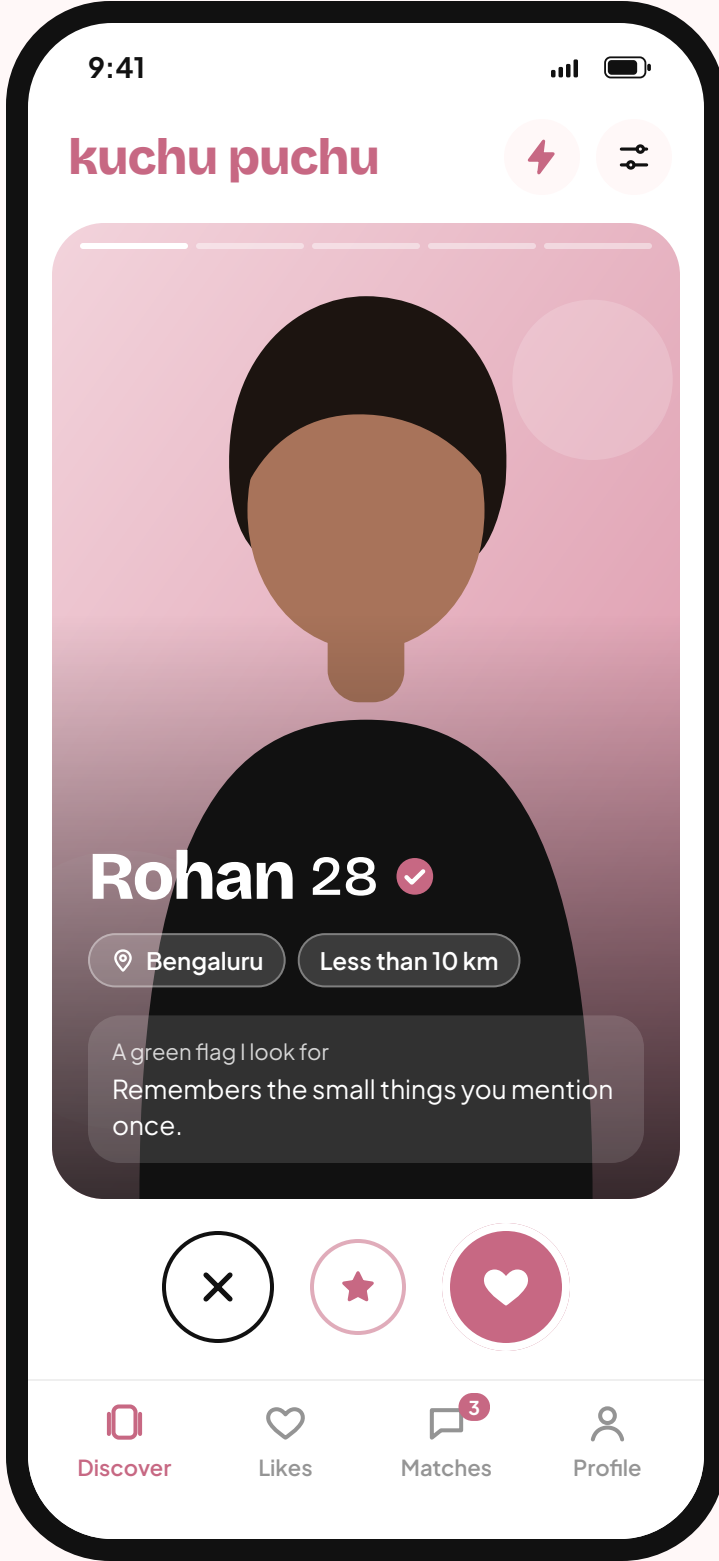

Permissions, then the card feed.

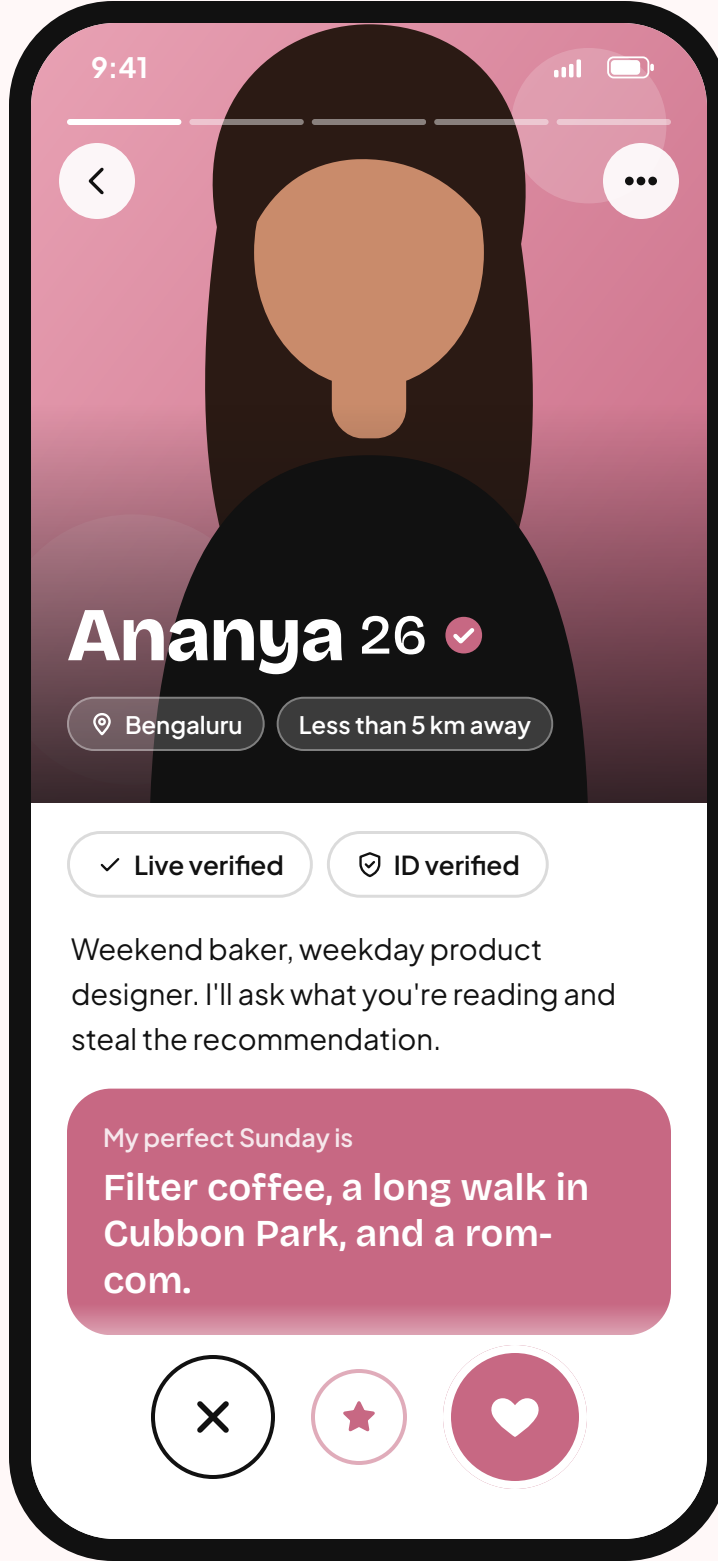

16 Notifications
Asked once, after explaining the value.

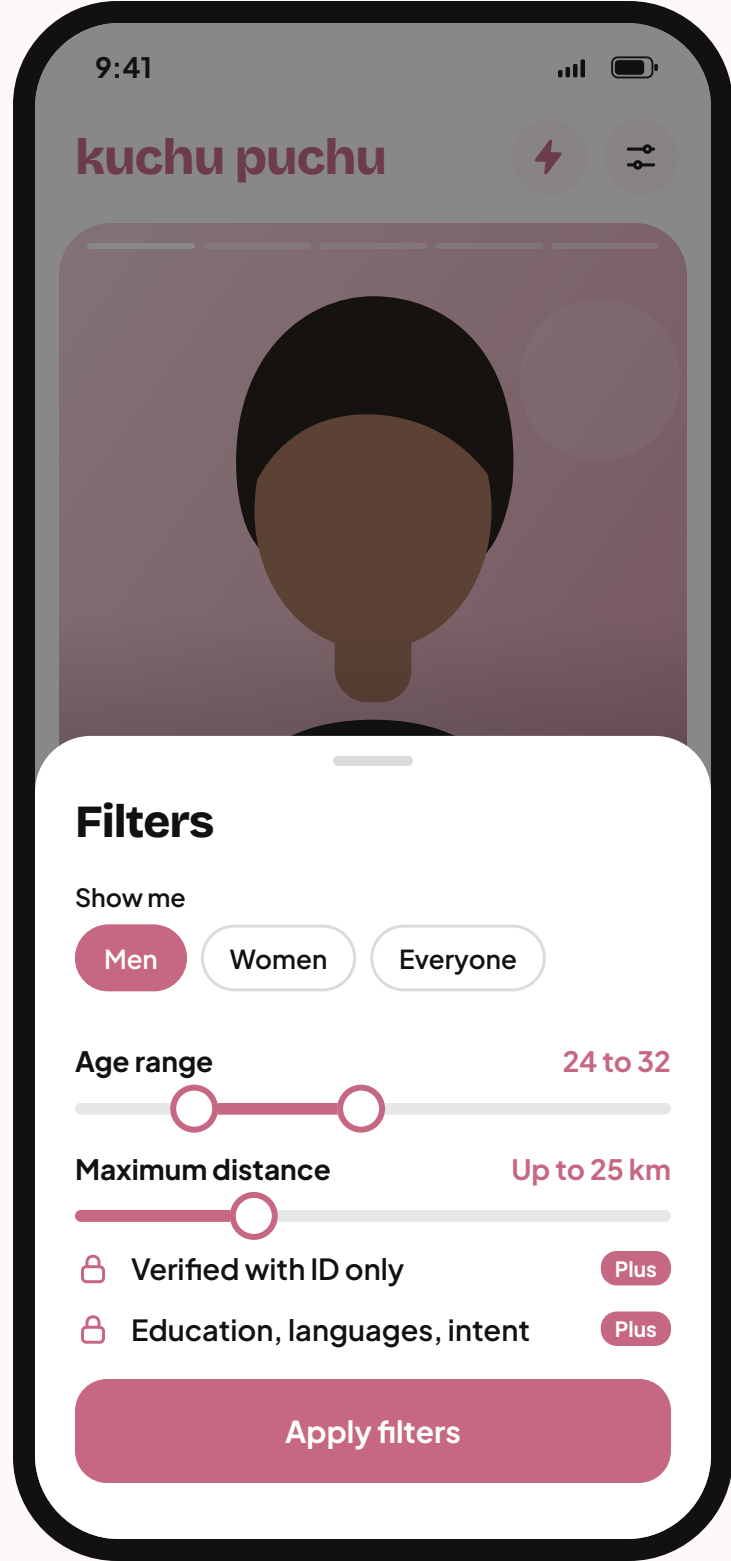

17 City picker
Used when location permission is denied.

18 Discover
One card at a time. Distance shown as a range.

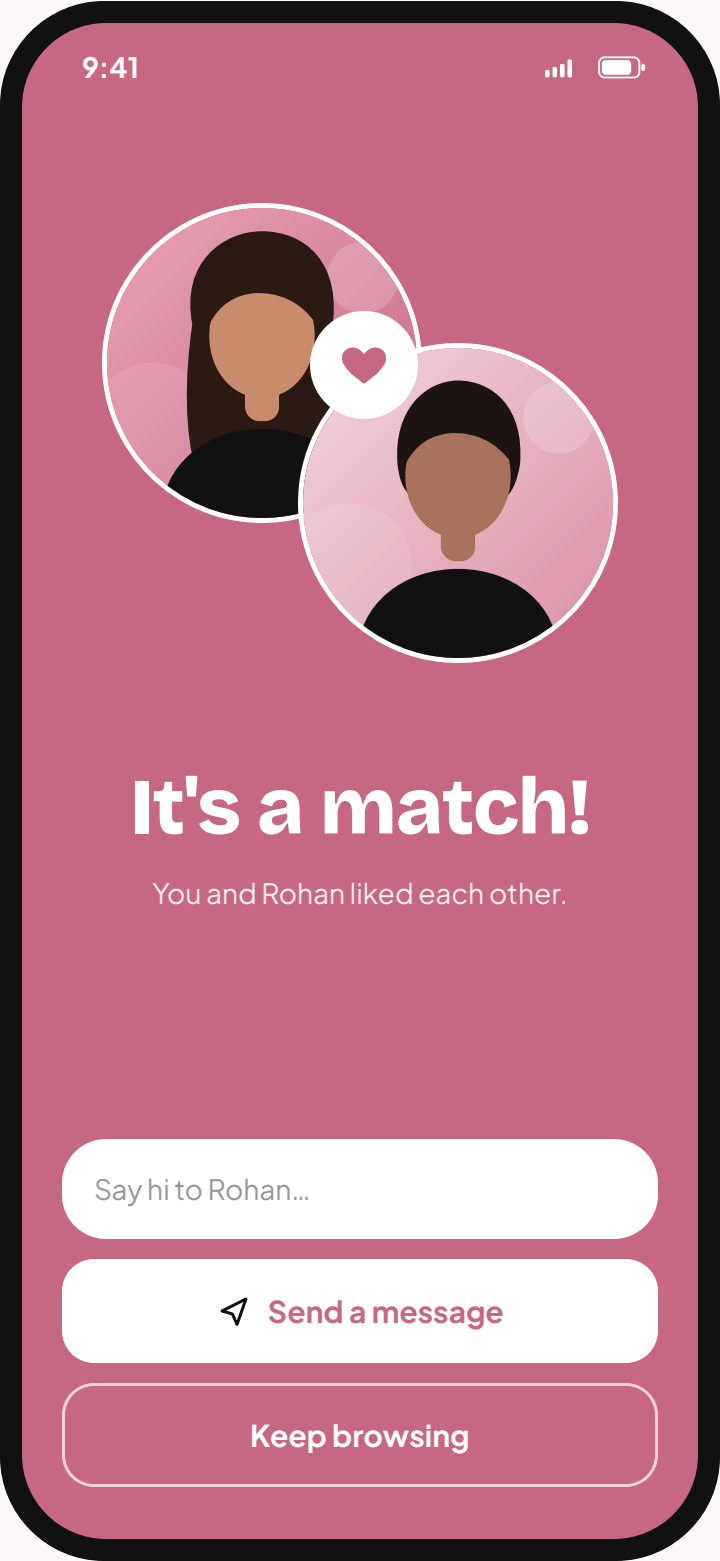

19 Profile detail
Opened from a card. Report and block in the menu.

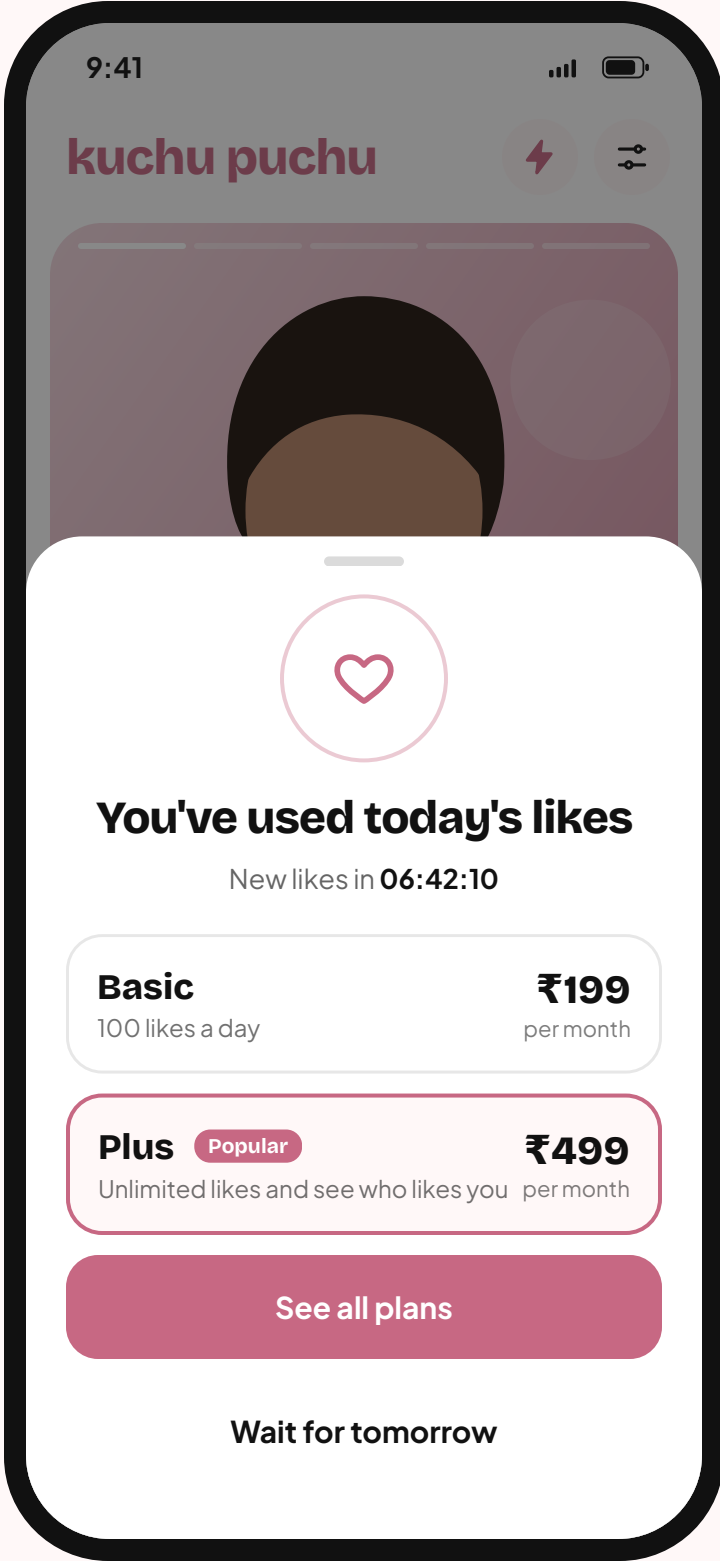

20 Filters
Bottom sheet over Discover. Saving refreshes the cards.

Likes and limits

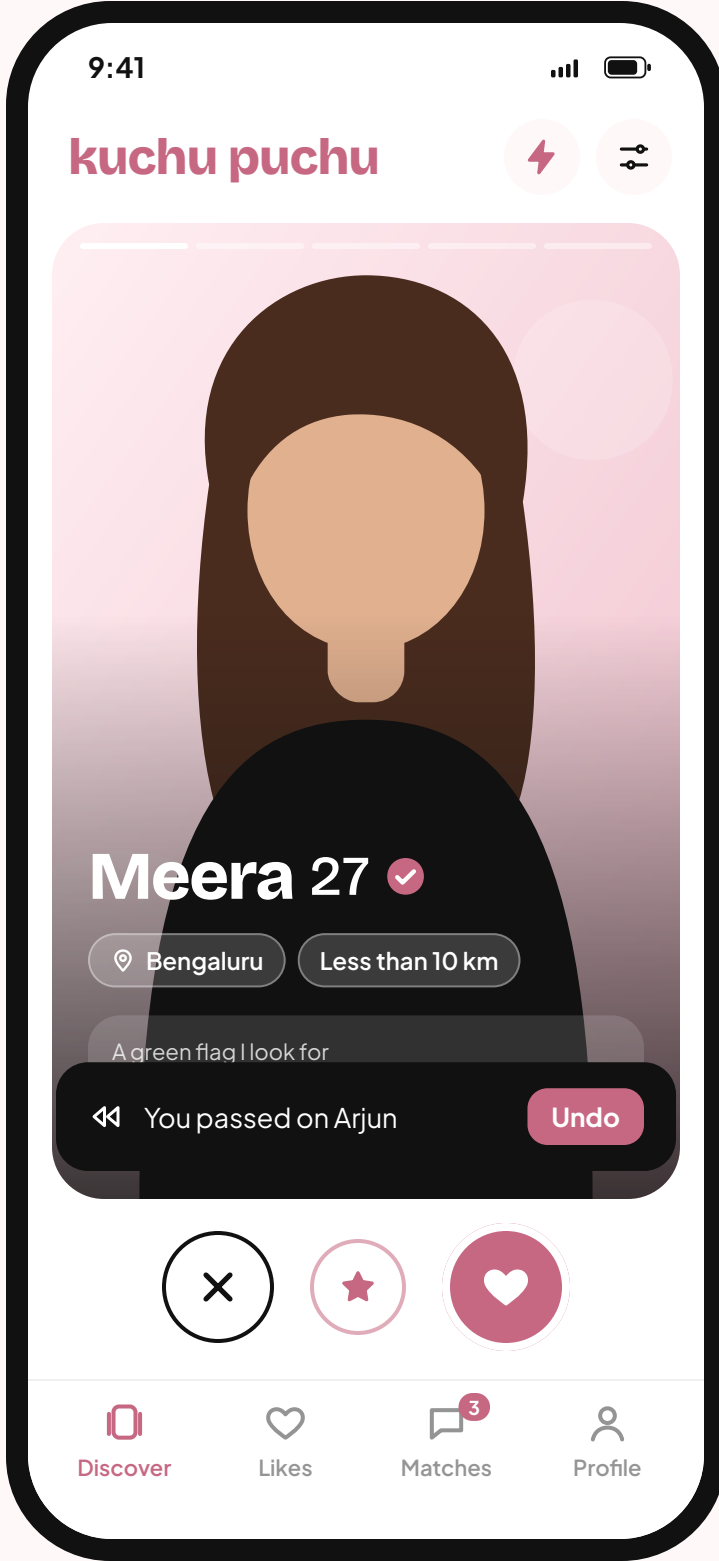

Matches, daily limits and paid extras.

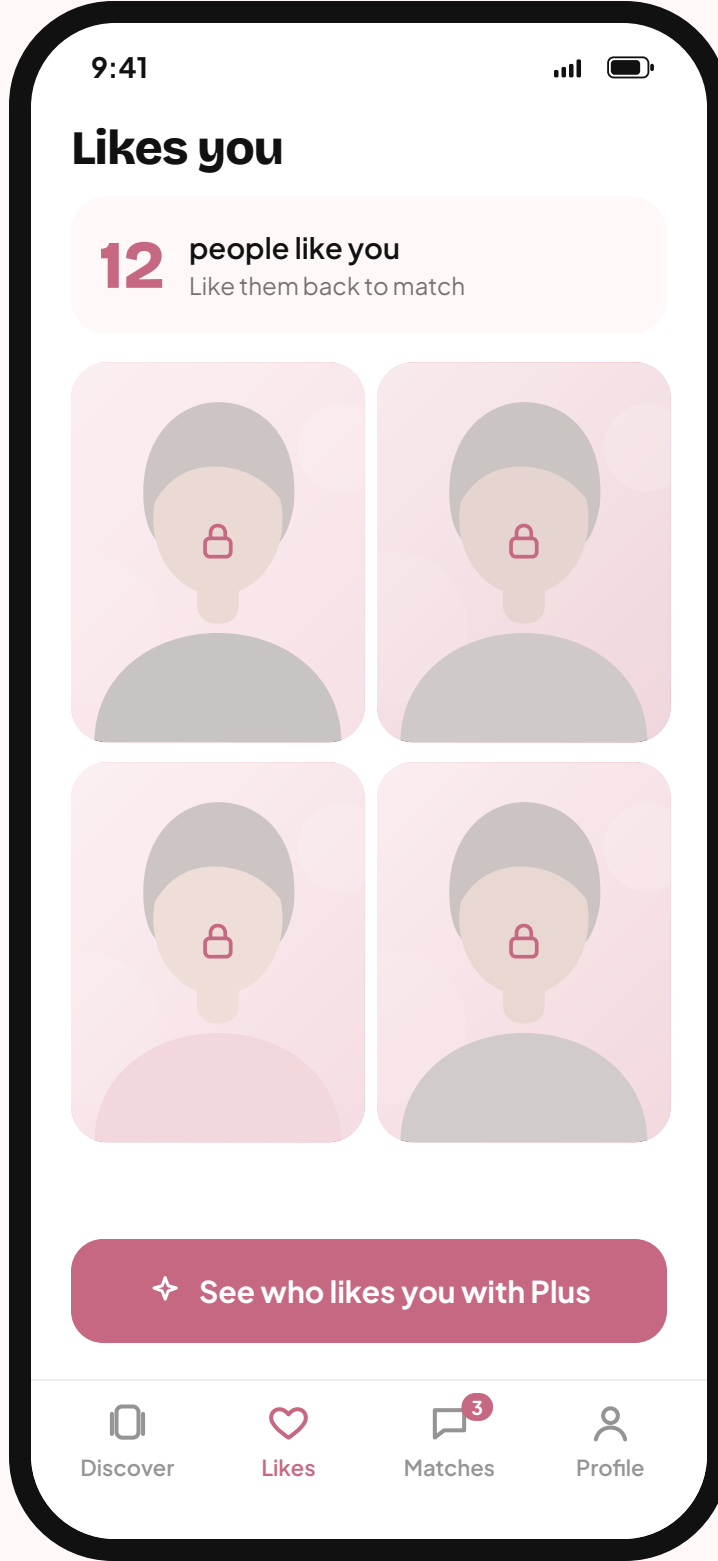

21 It's a match
Both liked each other. Straight into the chat.

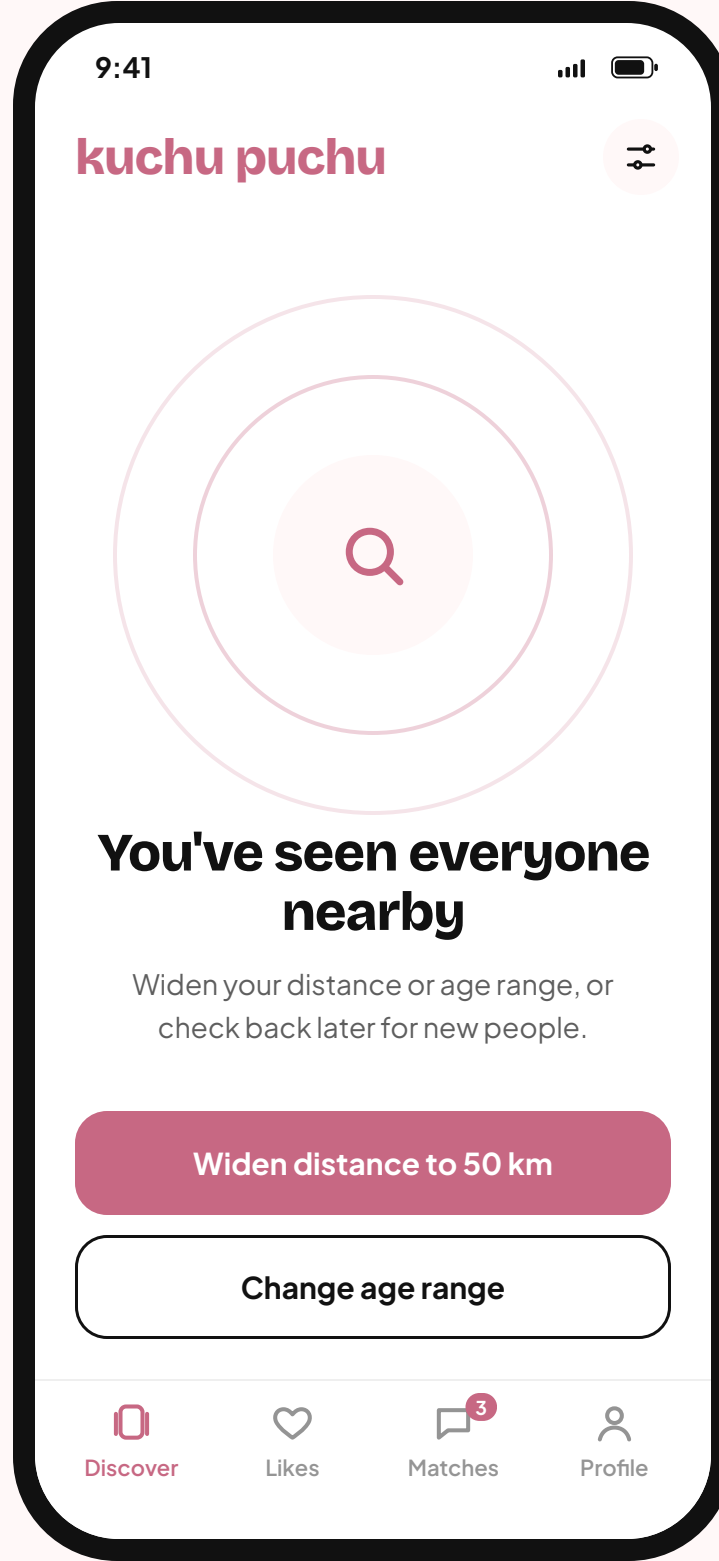

22 Out of likes
Daily limit reached. Clear reset time and options.

23 Undo pass
5-minute window for plans with undo.

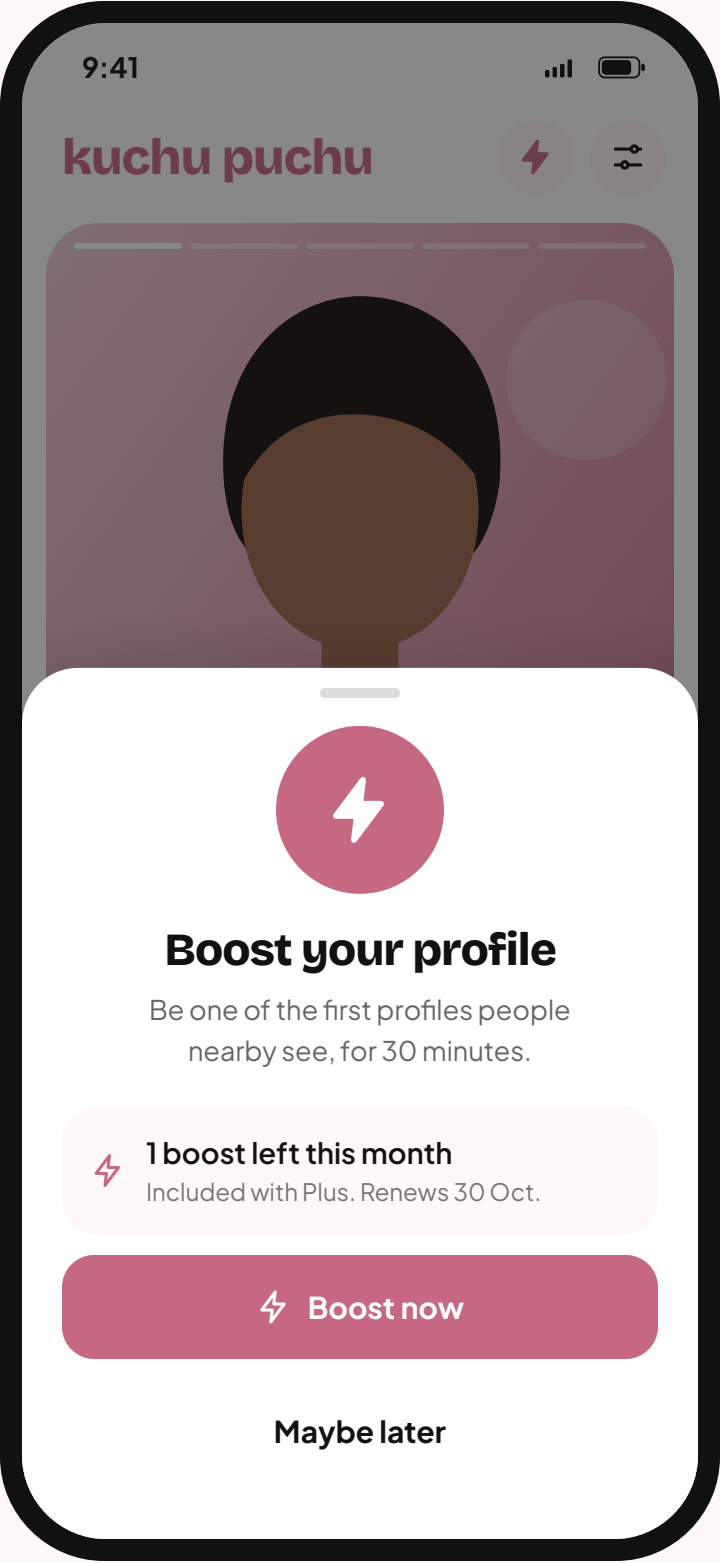

24 Likes you
Free plan sees a count and blurred previews.

25 No one new
Empty state with direct actions.

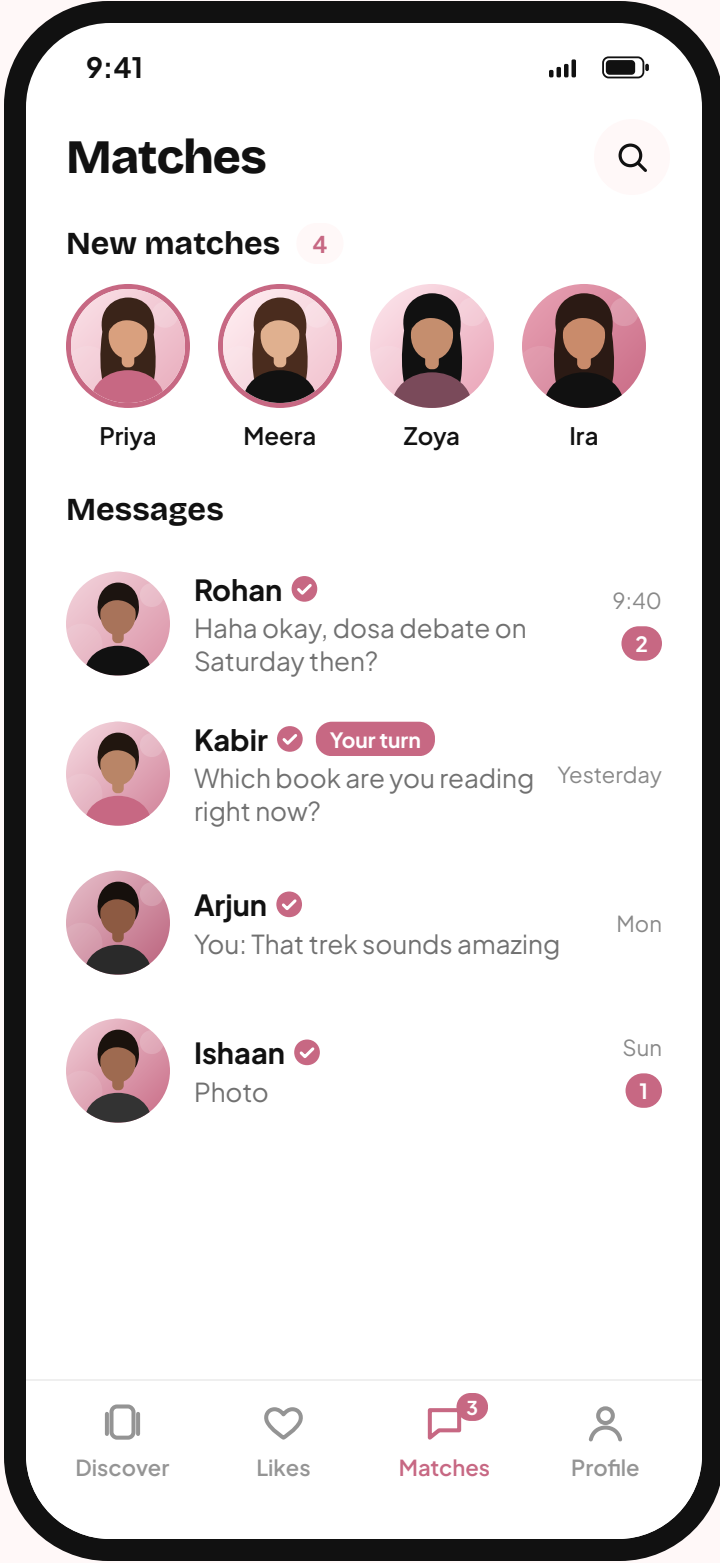

Matches and chat

Conversations only between matches.

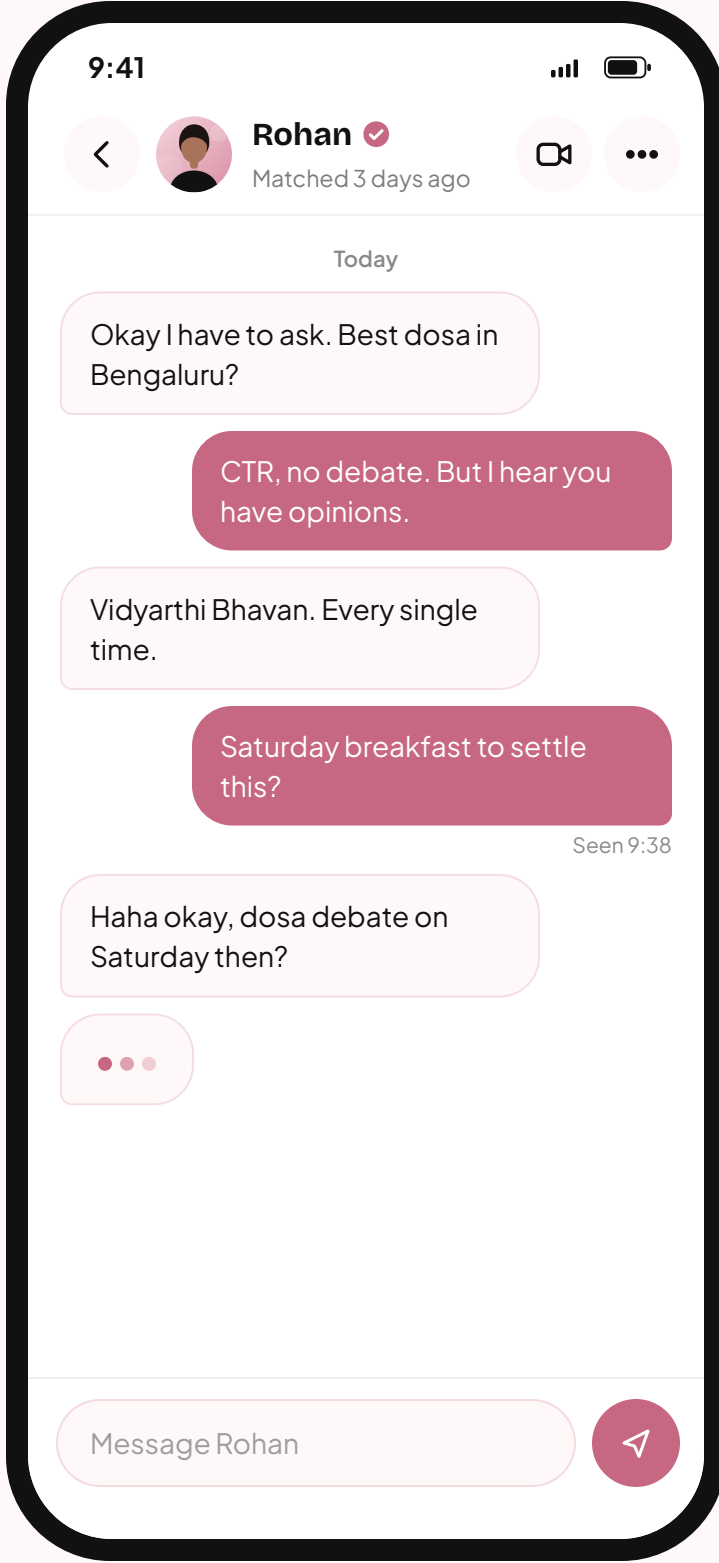

26 Boost

Be seen first for 30 minutes.

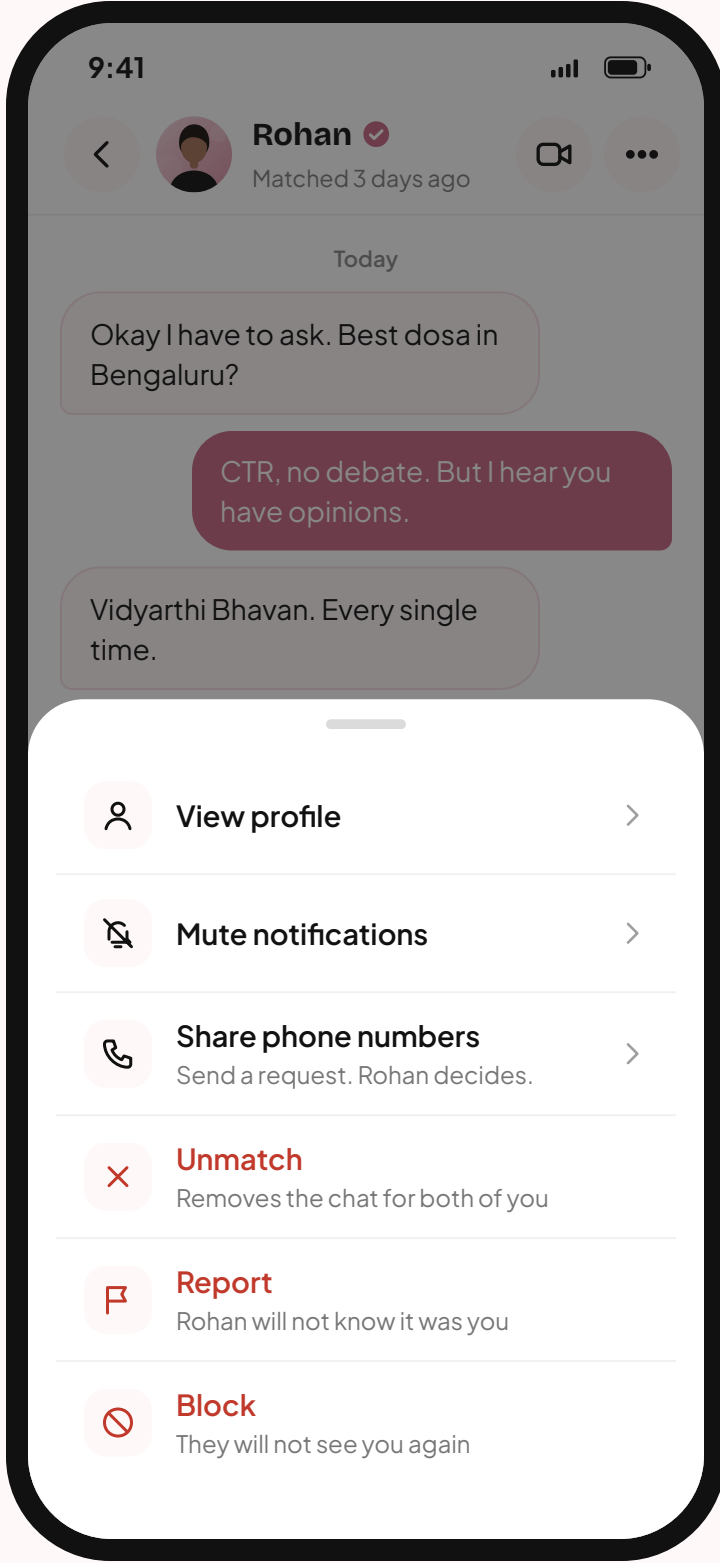

27 Matches

New matches first, then conversations by activity.

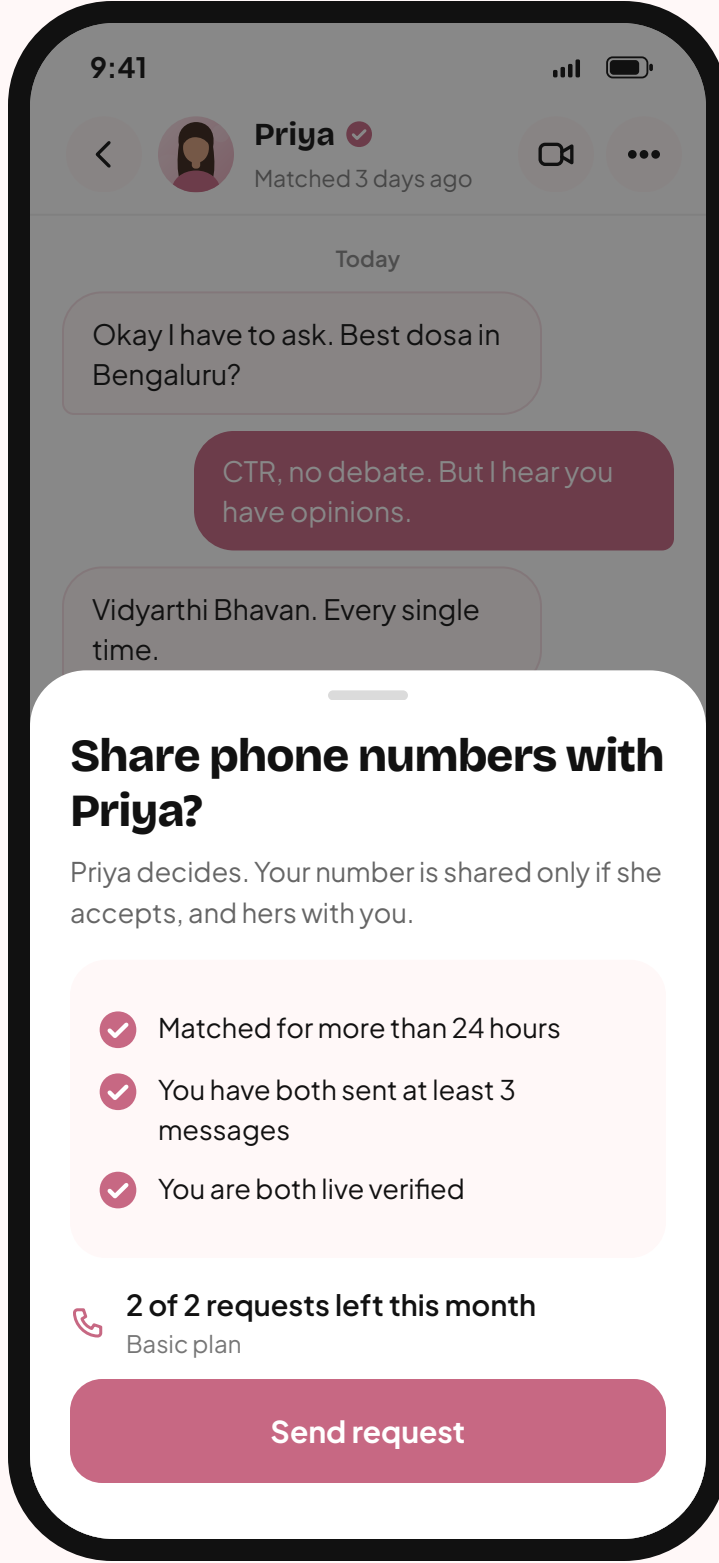

28 Chat

Only for matches. Links stay plain text.

29 Chat menu

Safety actions are always one tap away.

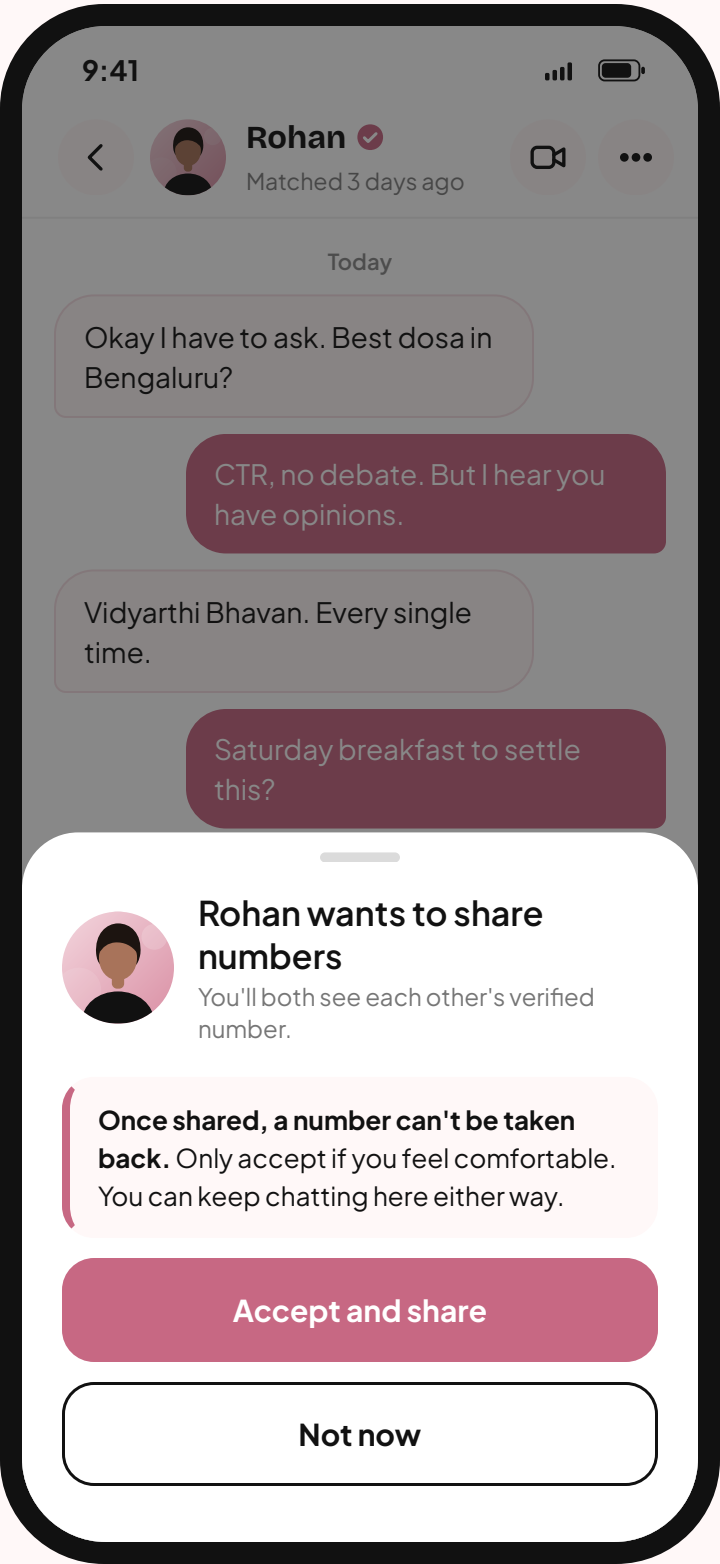

30 Share numbers

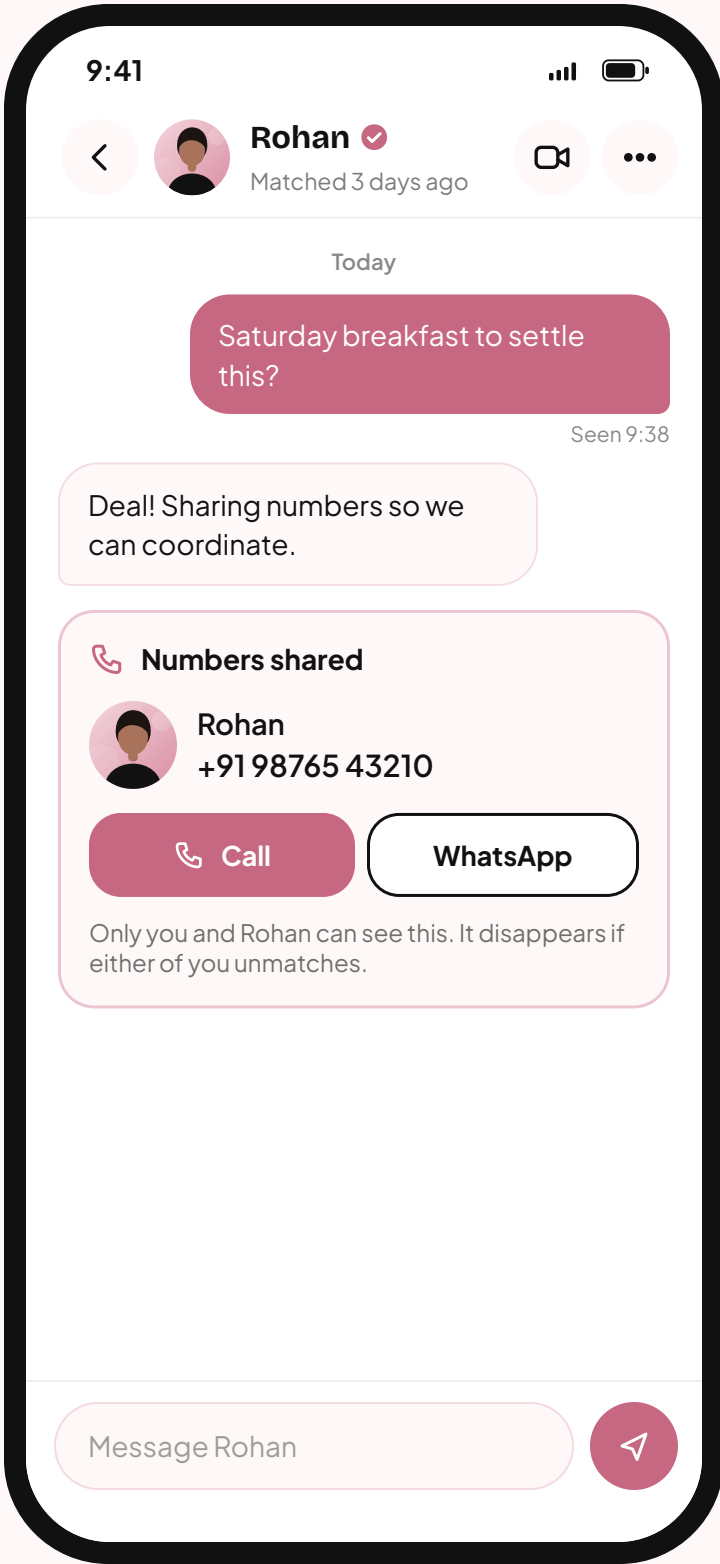

Paid request. The other person decides.

Sharing numbers and calls

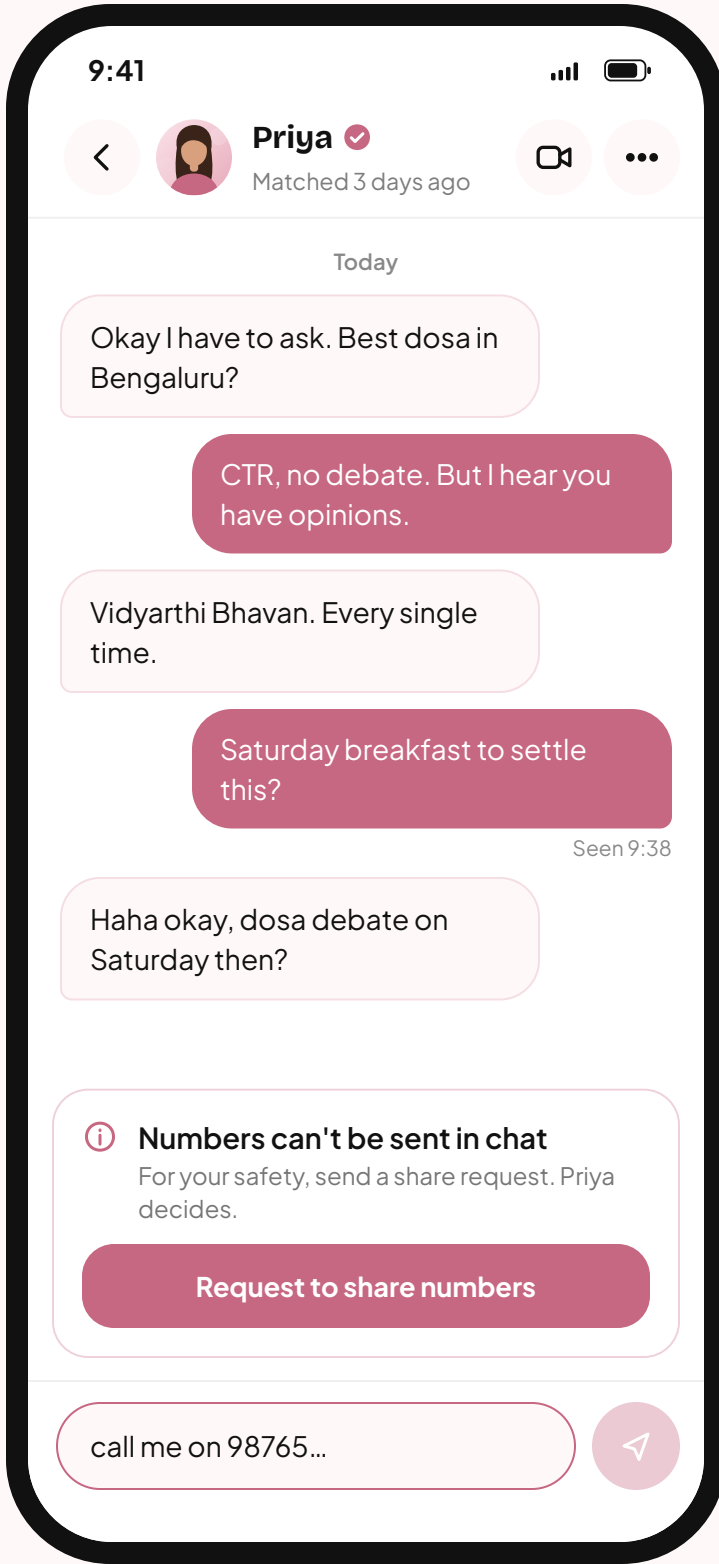

Consent before any contact details are shared.

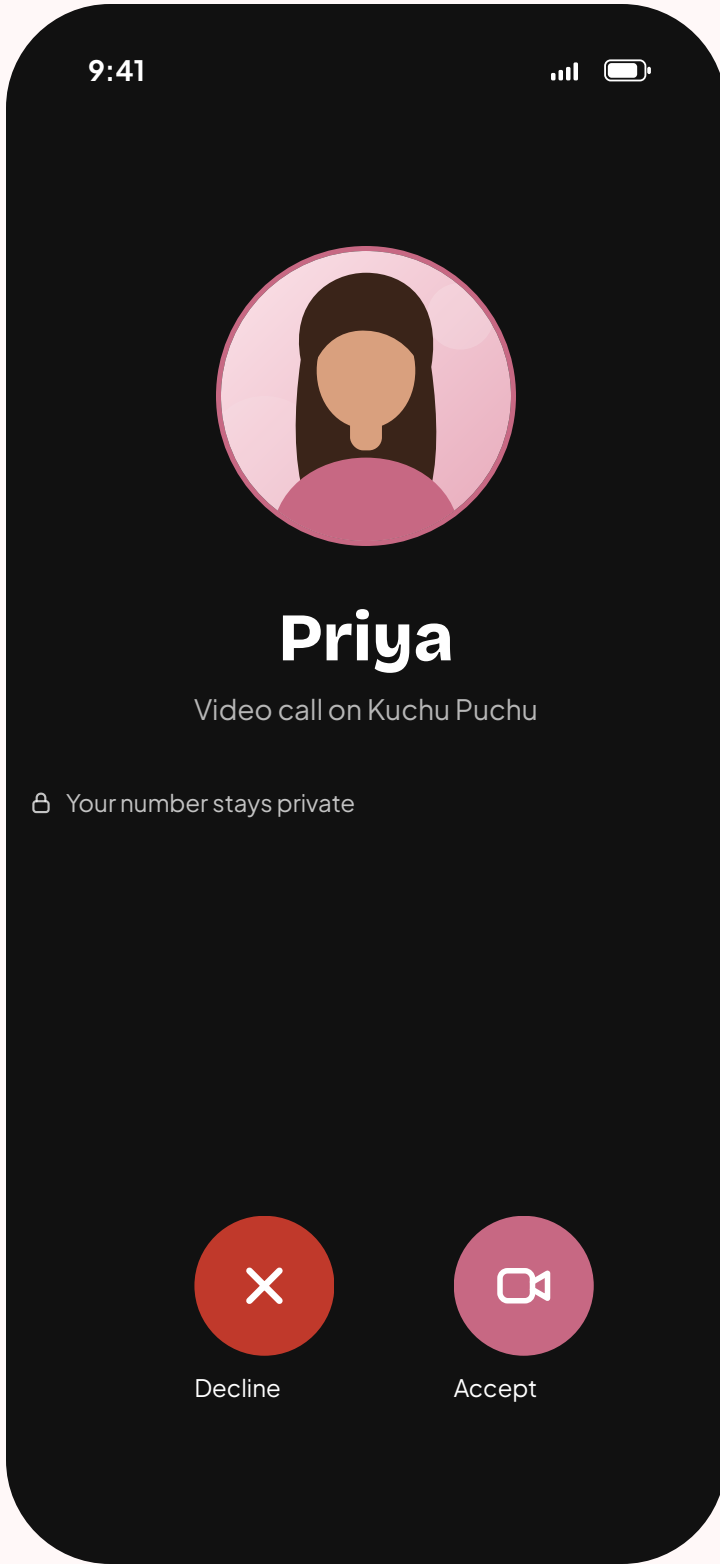

31 Share request
Accepting is free on every plan.

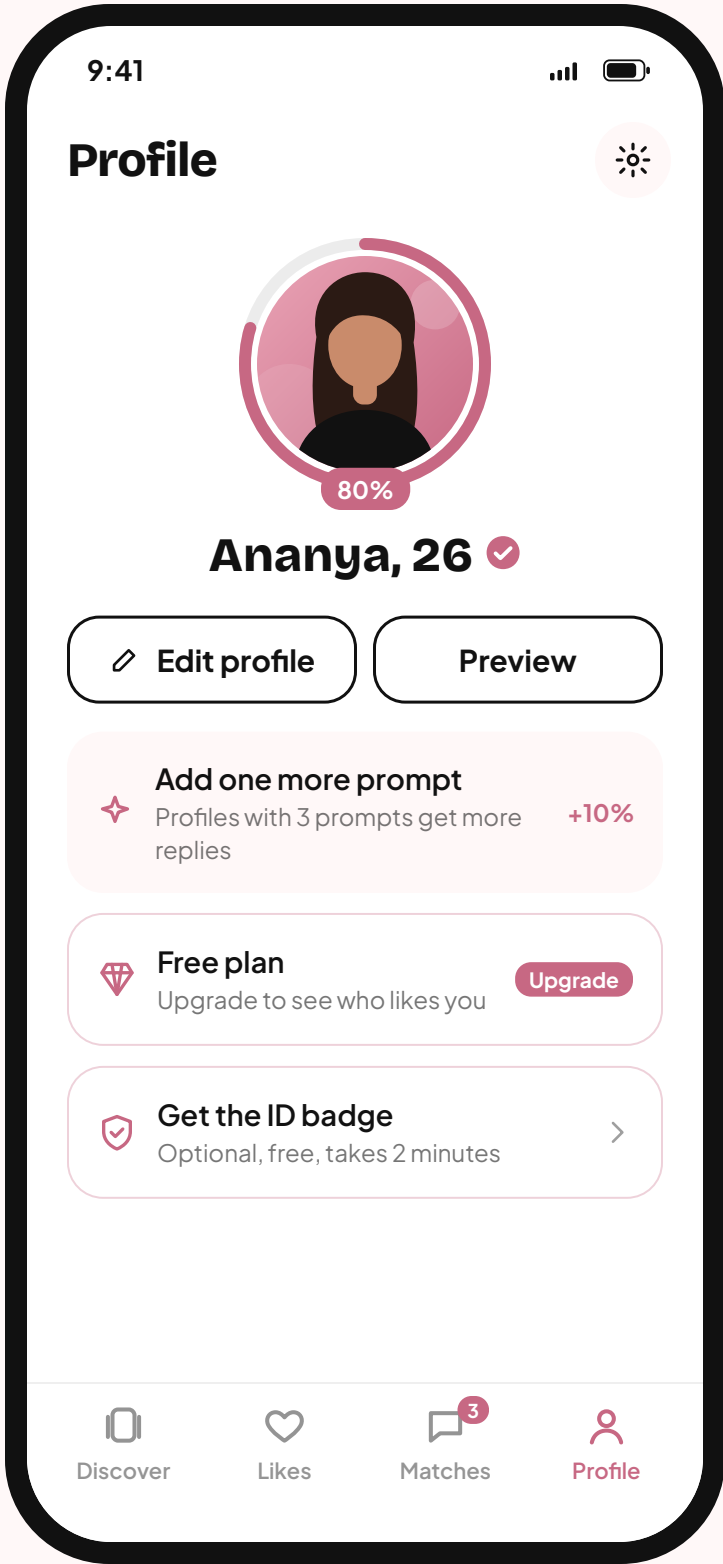

32 Numbers shared
Visible only to the two of you.

33 Number blocked in chat
Contact details go through a request instead.

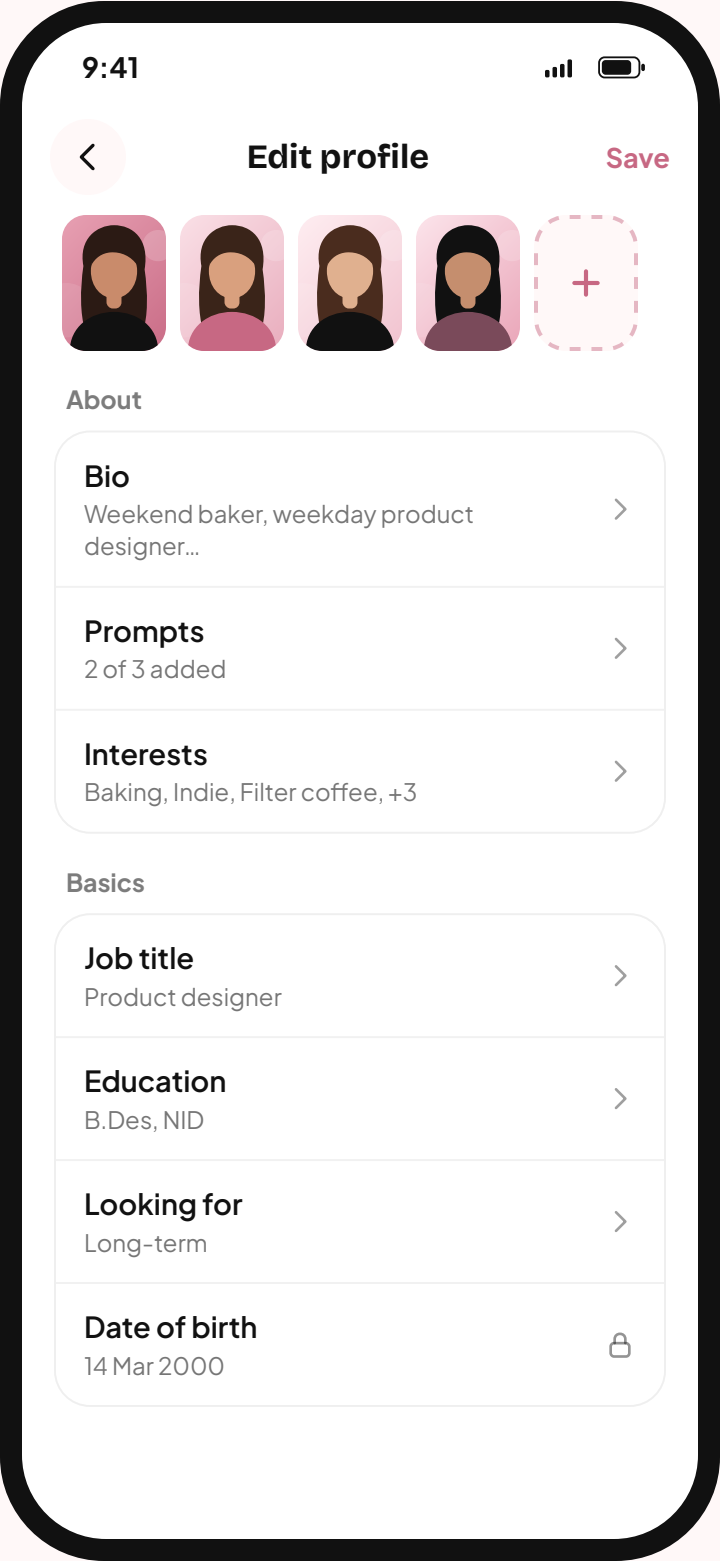

34 Incoming call
In-app calls without sharing numbers.

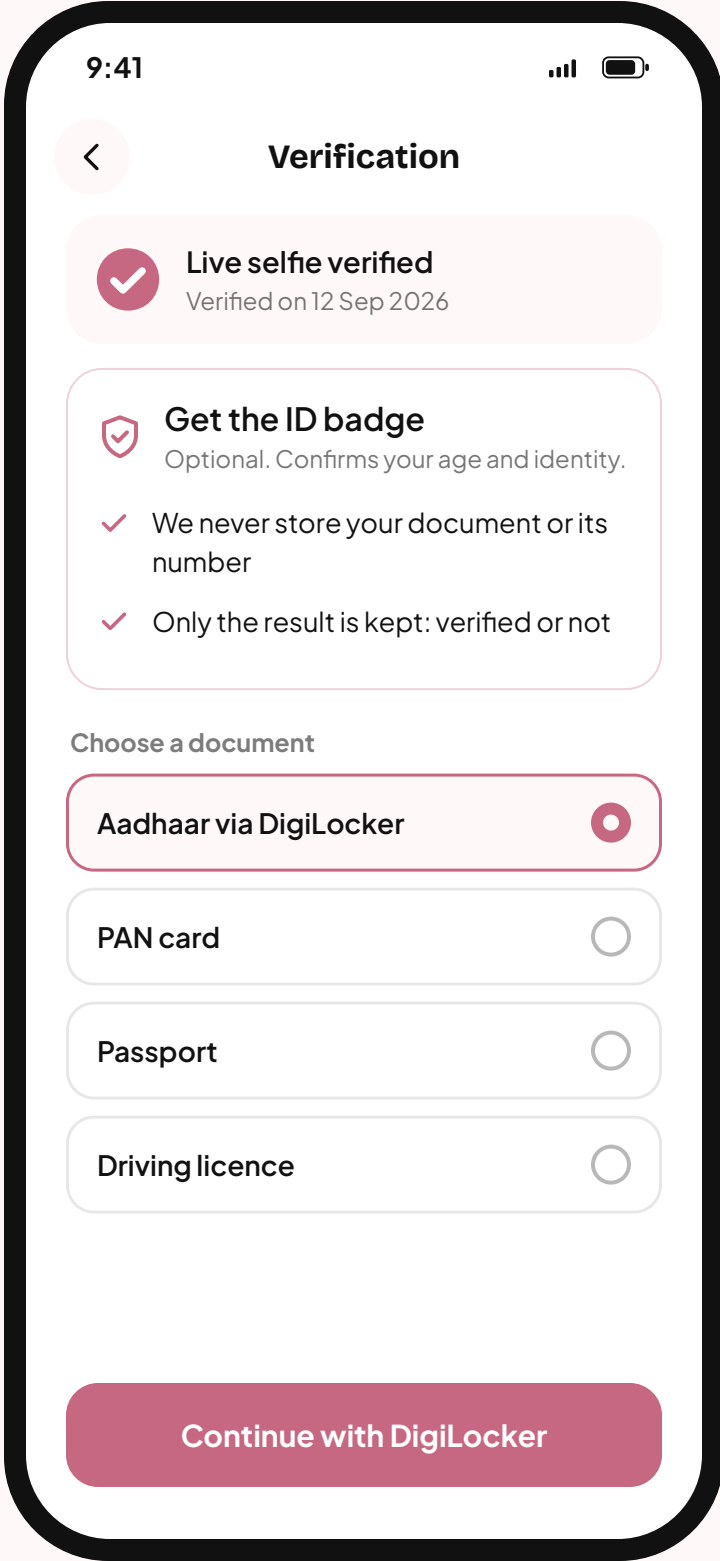

35 My profile
Completion tips and plan at a glance.

Profile and plans

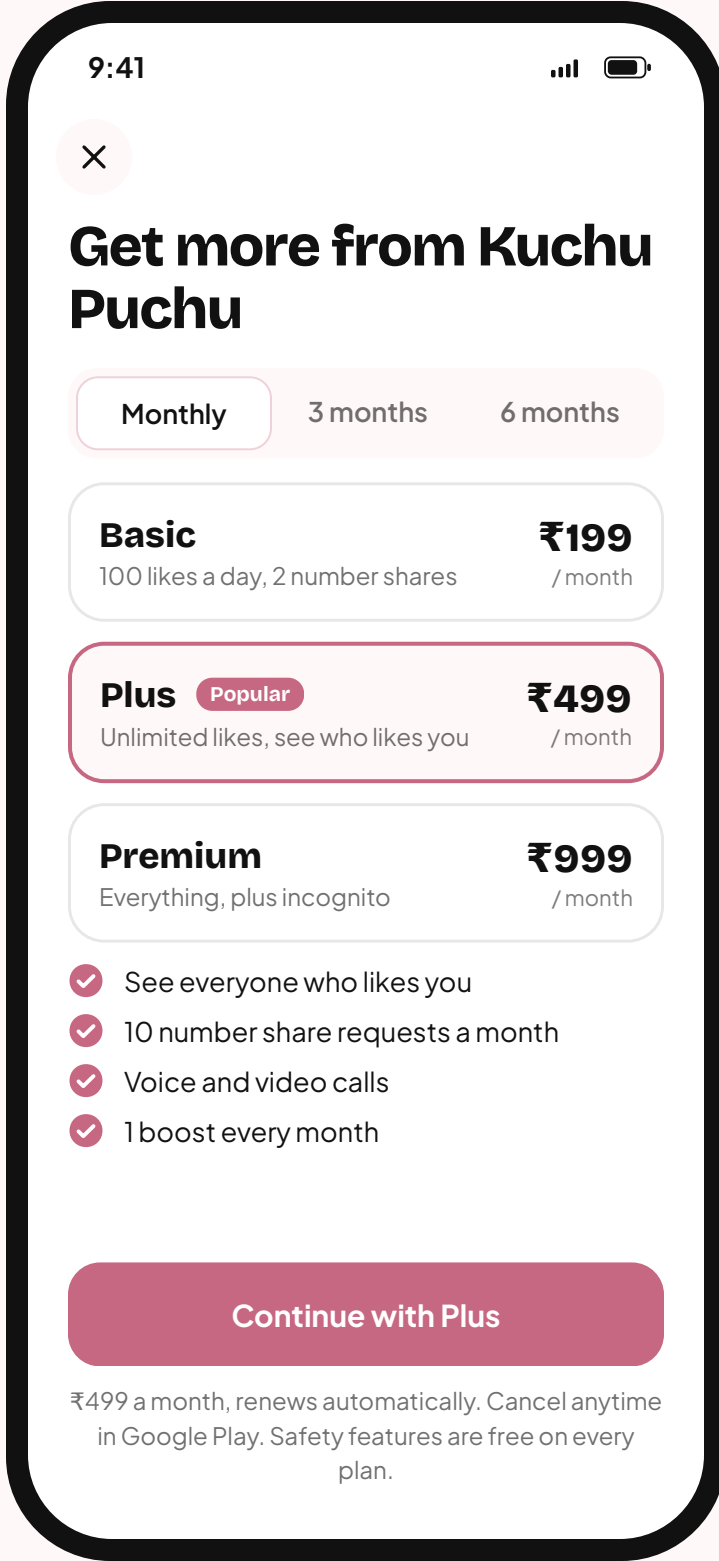

Editing, verification and subscriptions.

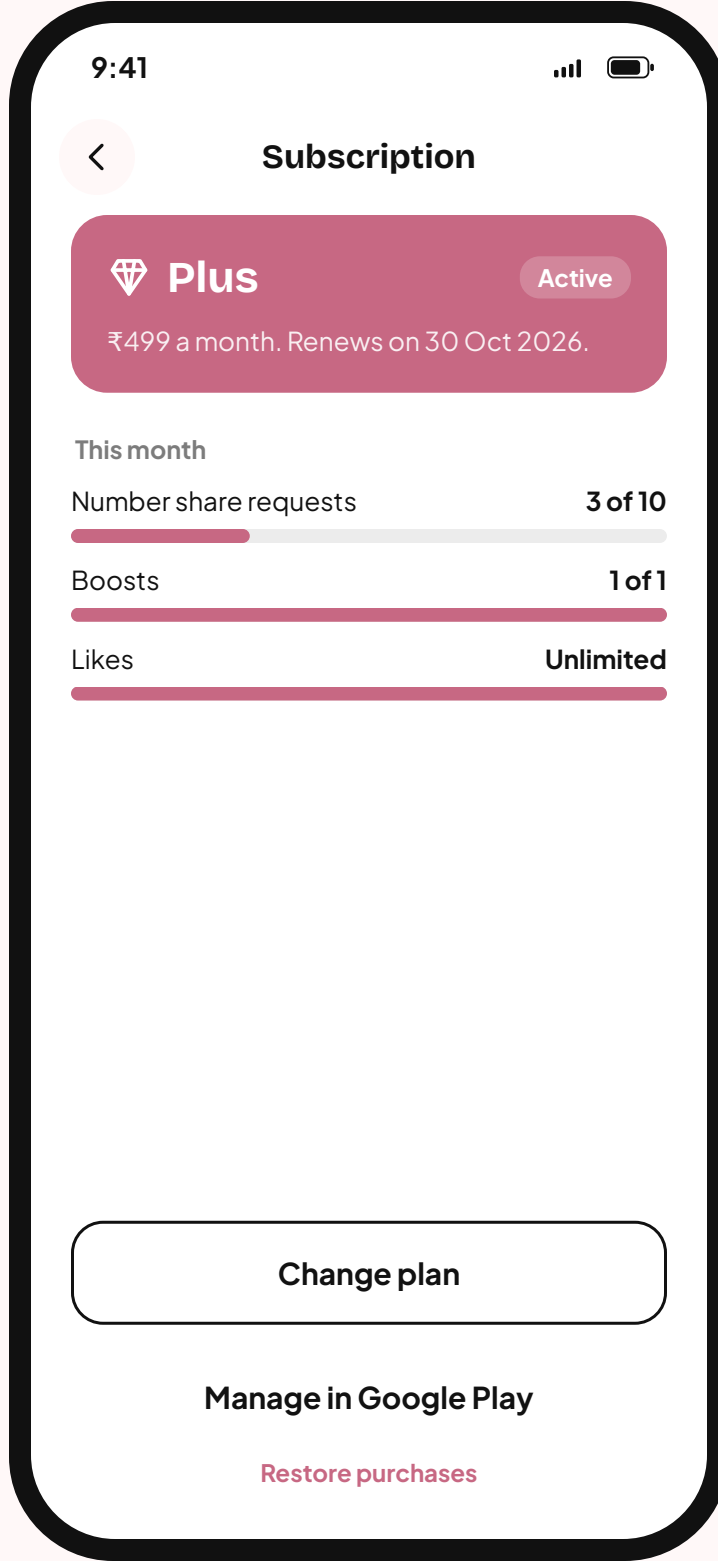

36 Edit profile
Sections save separately. Date of birth is locked.

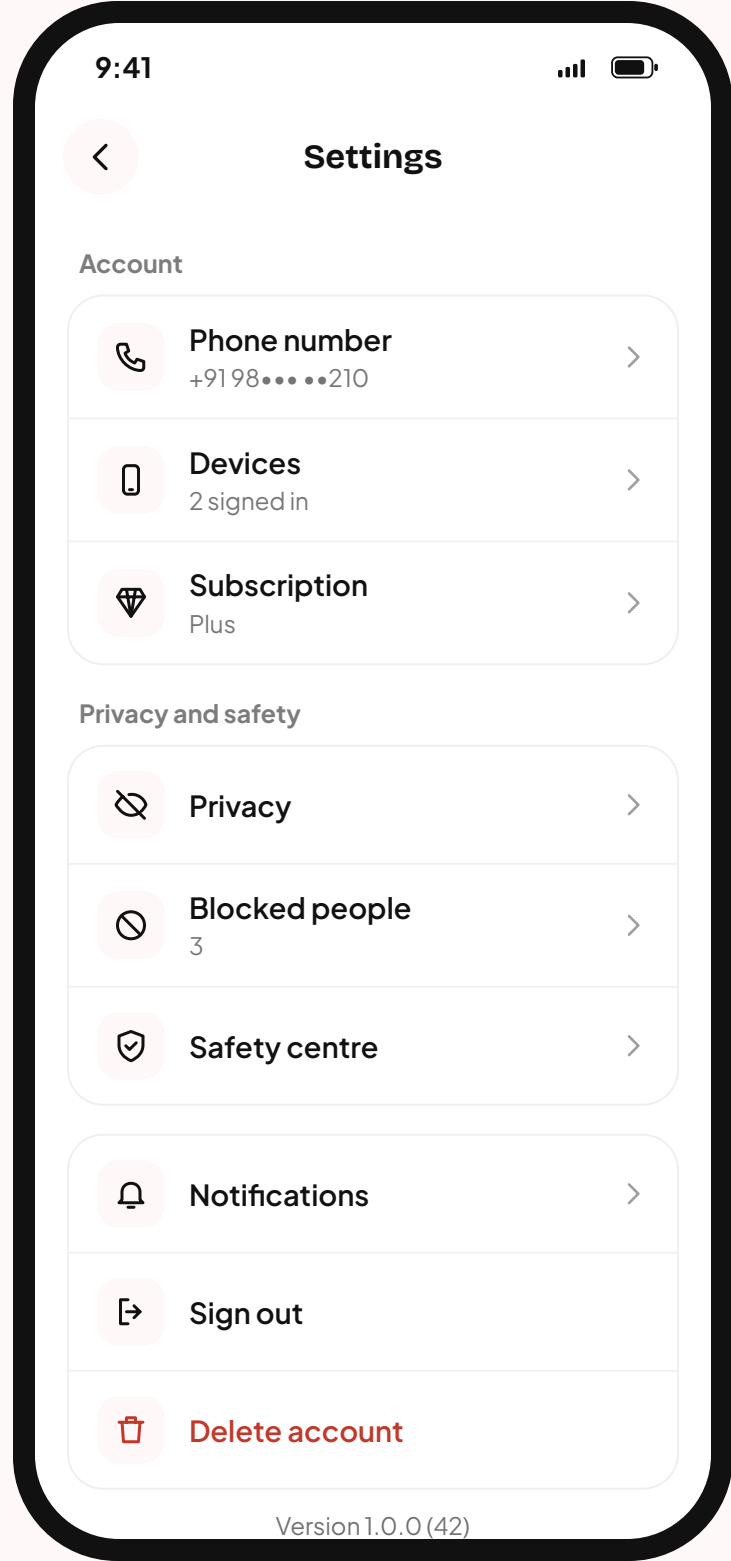

37 Verification
Selfie status and the optional ID badge.

38 Plans
Clear prices, renewal and cancellation.

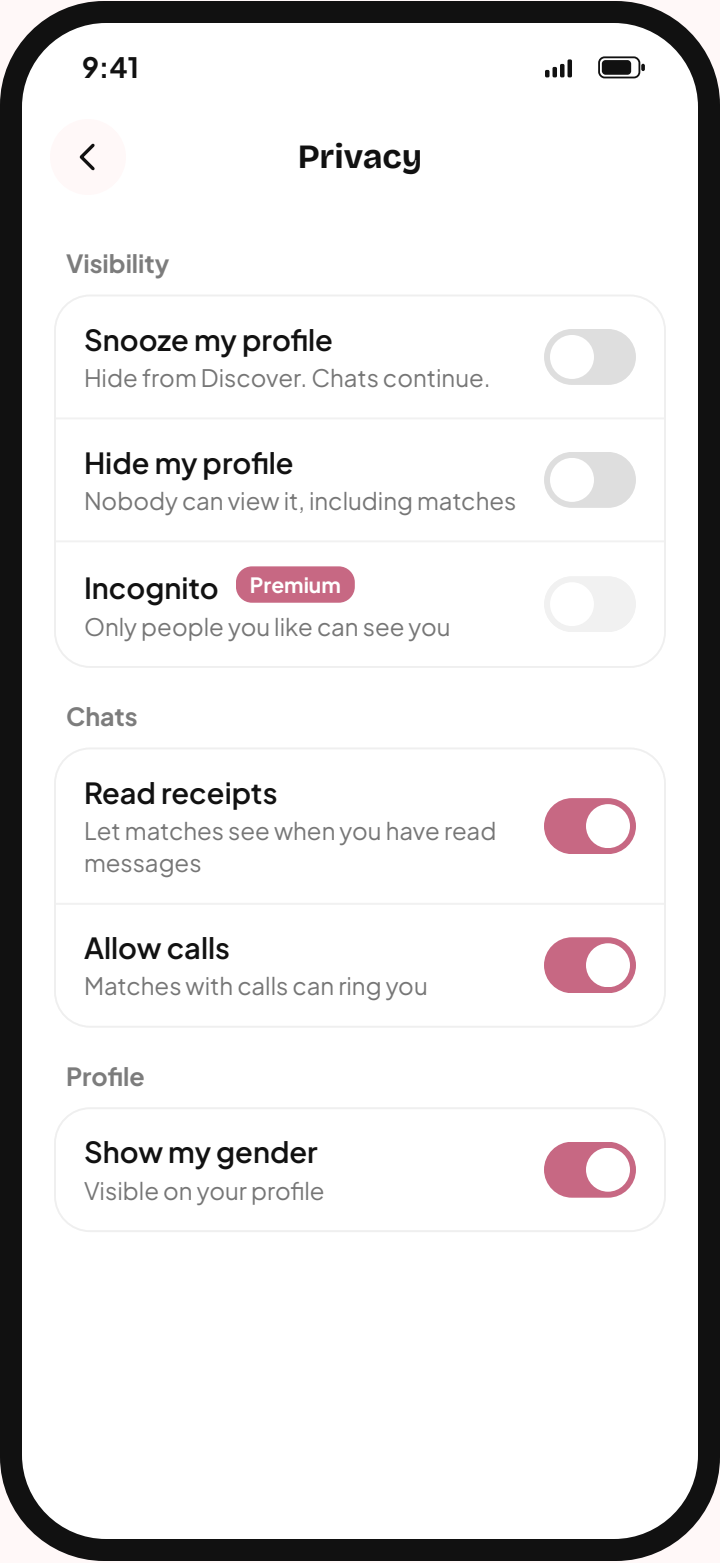

39 My subscription
Plan, renewal date and what's left this month.

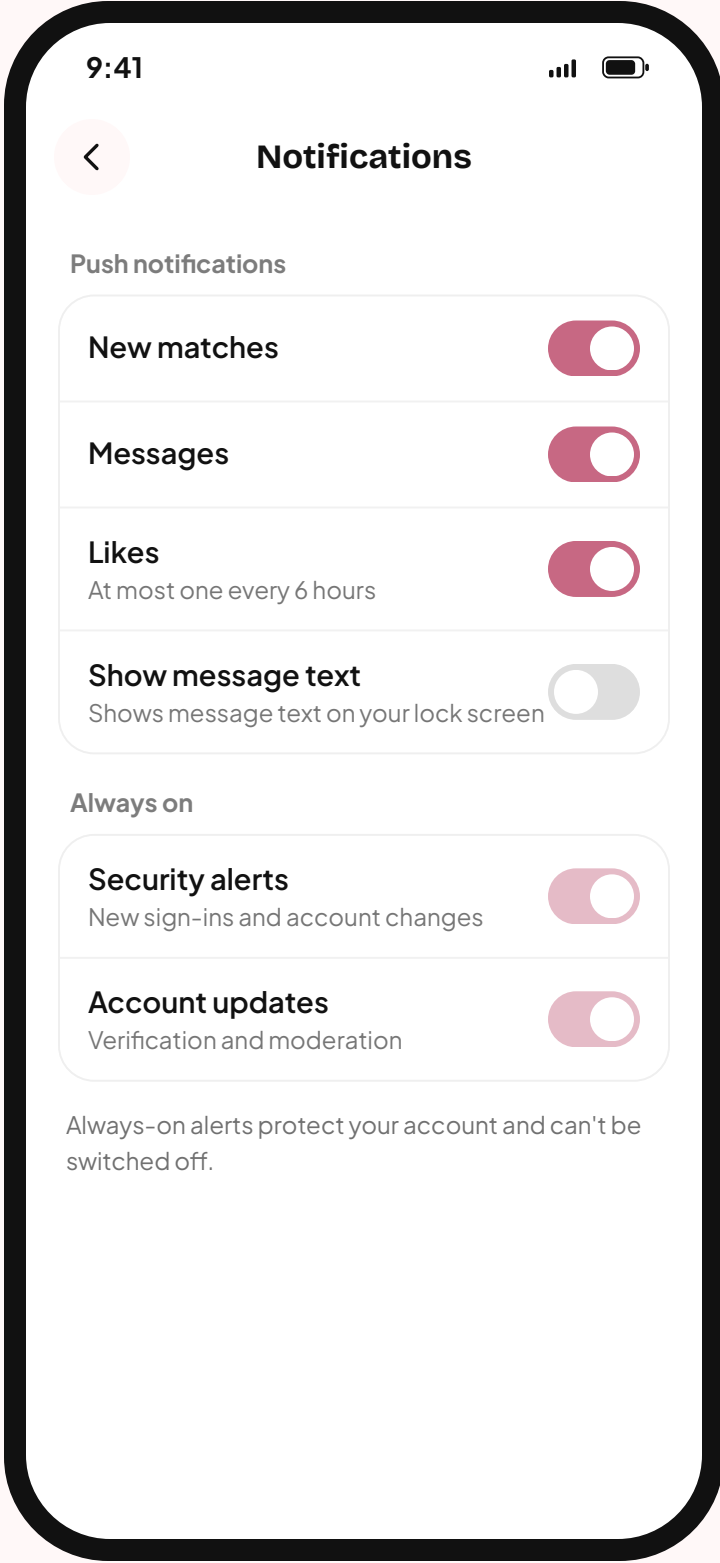

40 Settings
Everything account-related in one place.

Settings

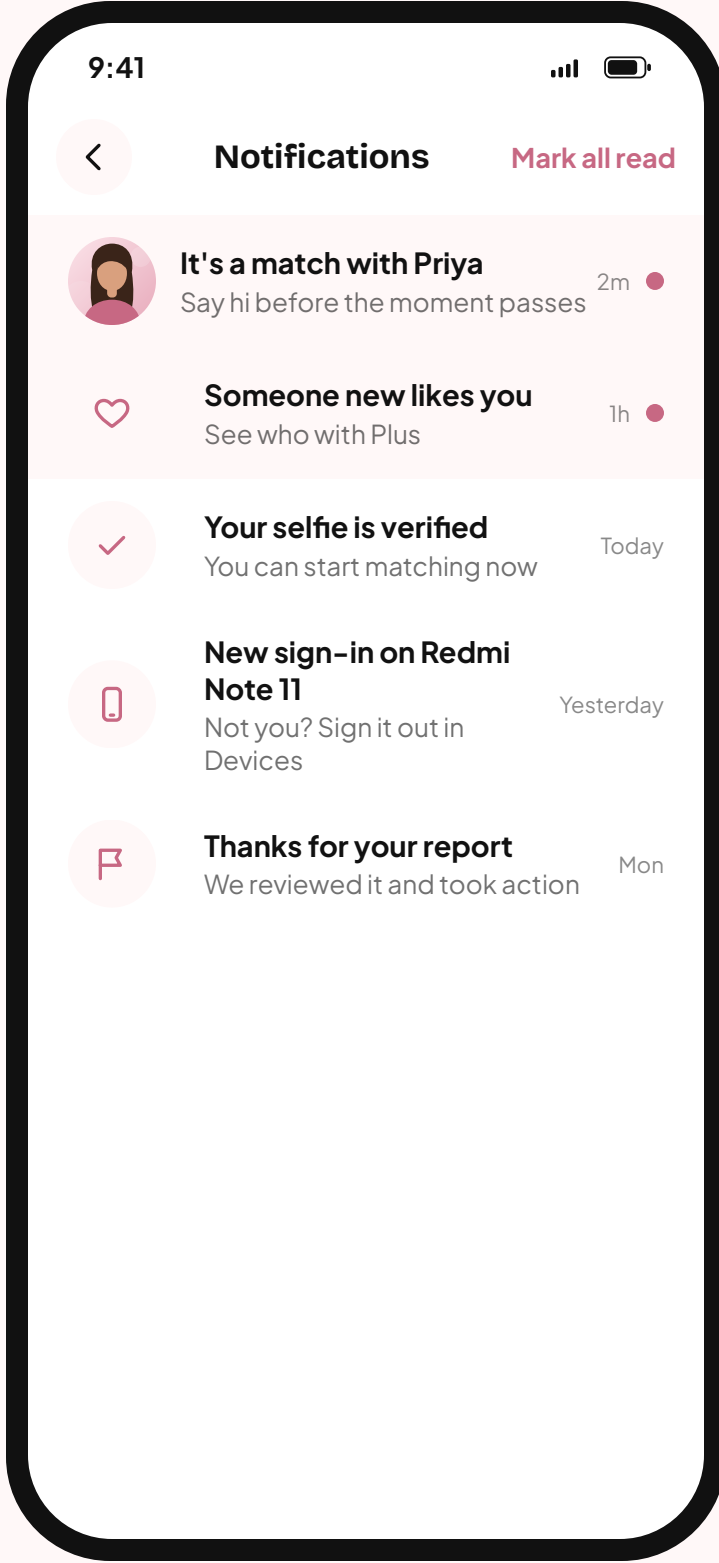

Privacy, notifications and devices.

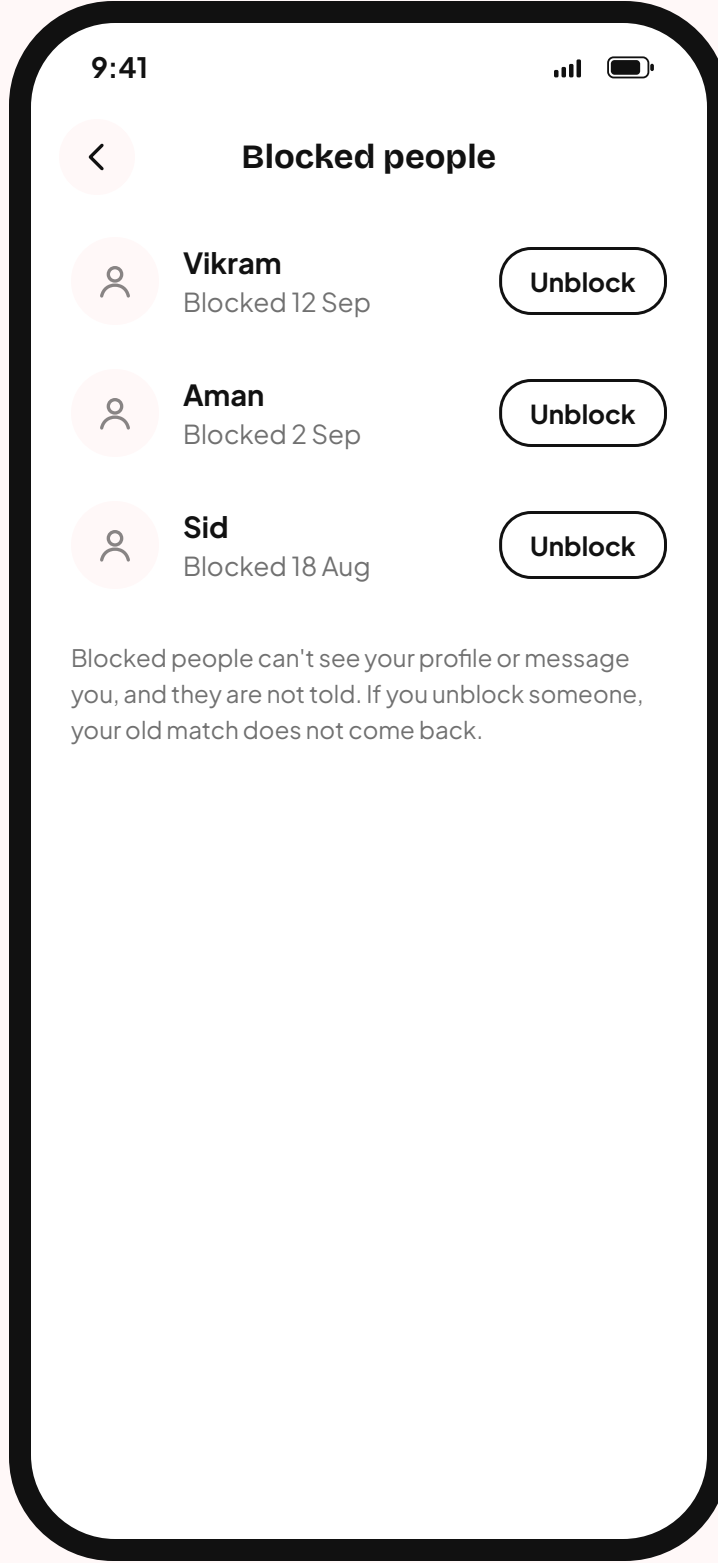

41 Privacy
Snooze, hide, incognito and read receipts.

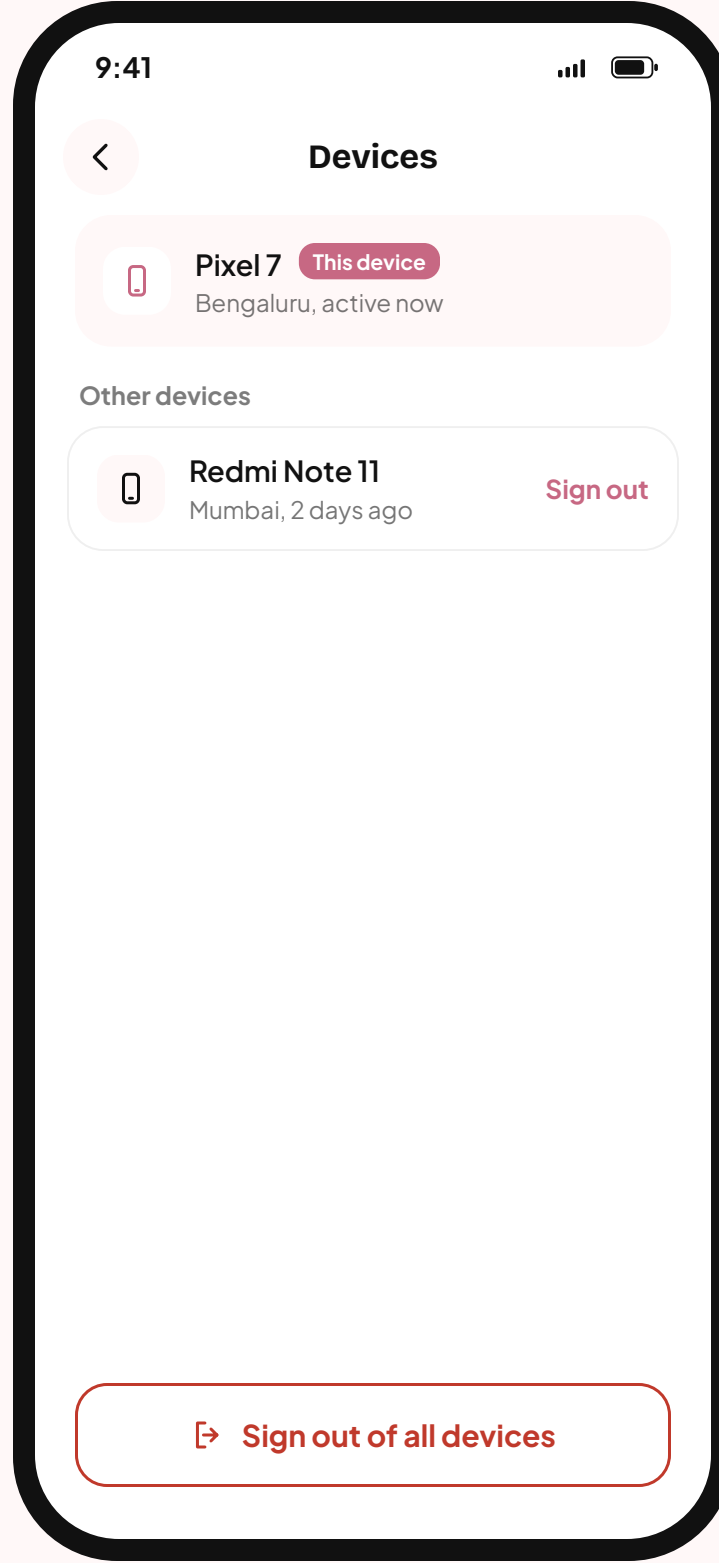

42 Notification settings
Security alerts can't be turned off.

43 Inbox
Activity with direct links.

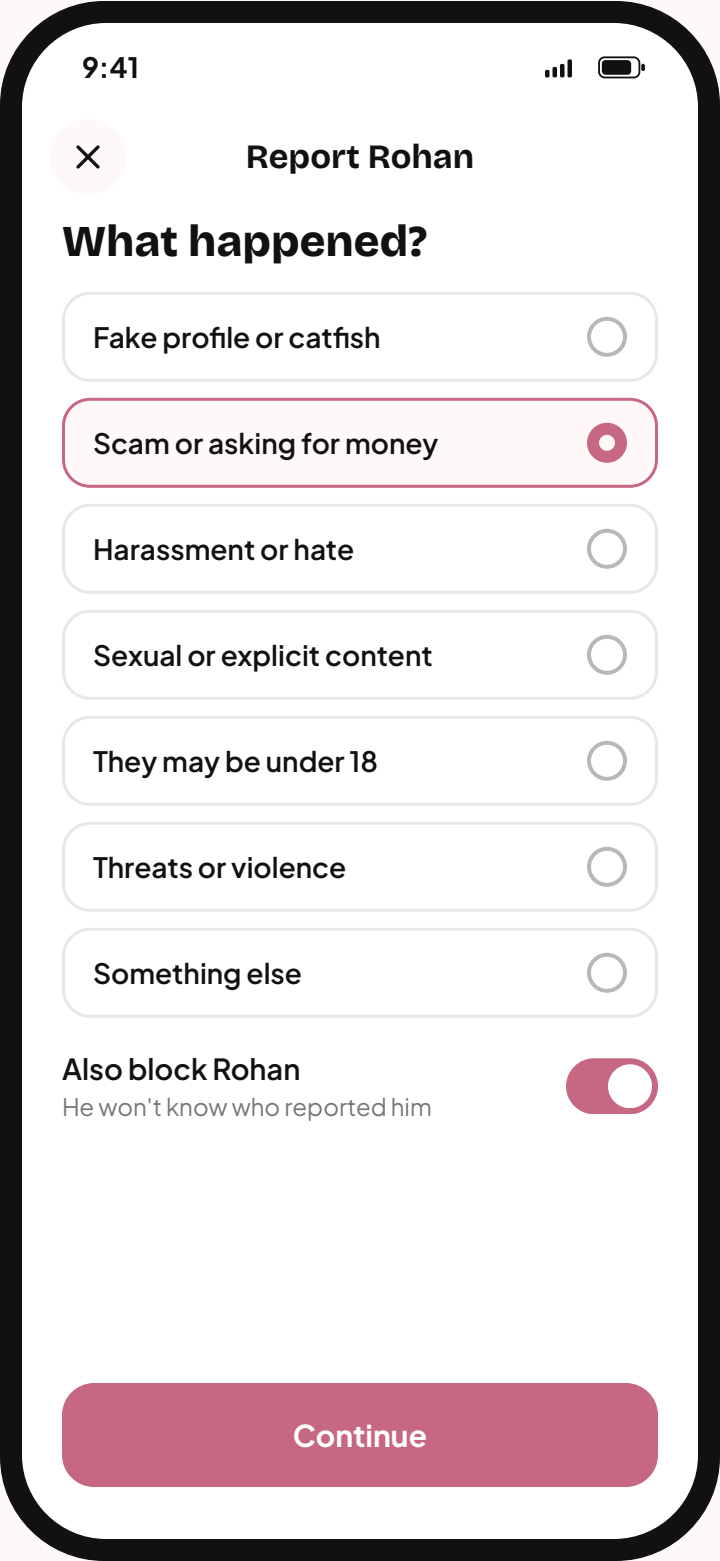

44 Blocked people
Unblocking does not bring a match back.

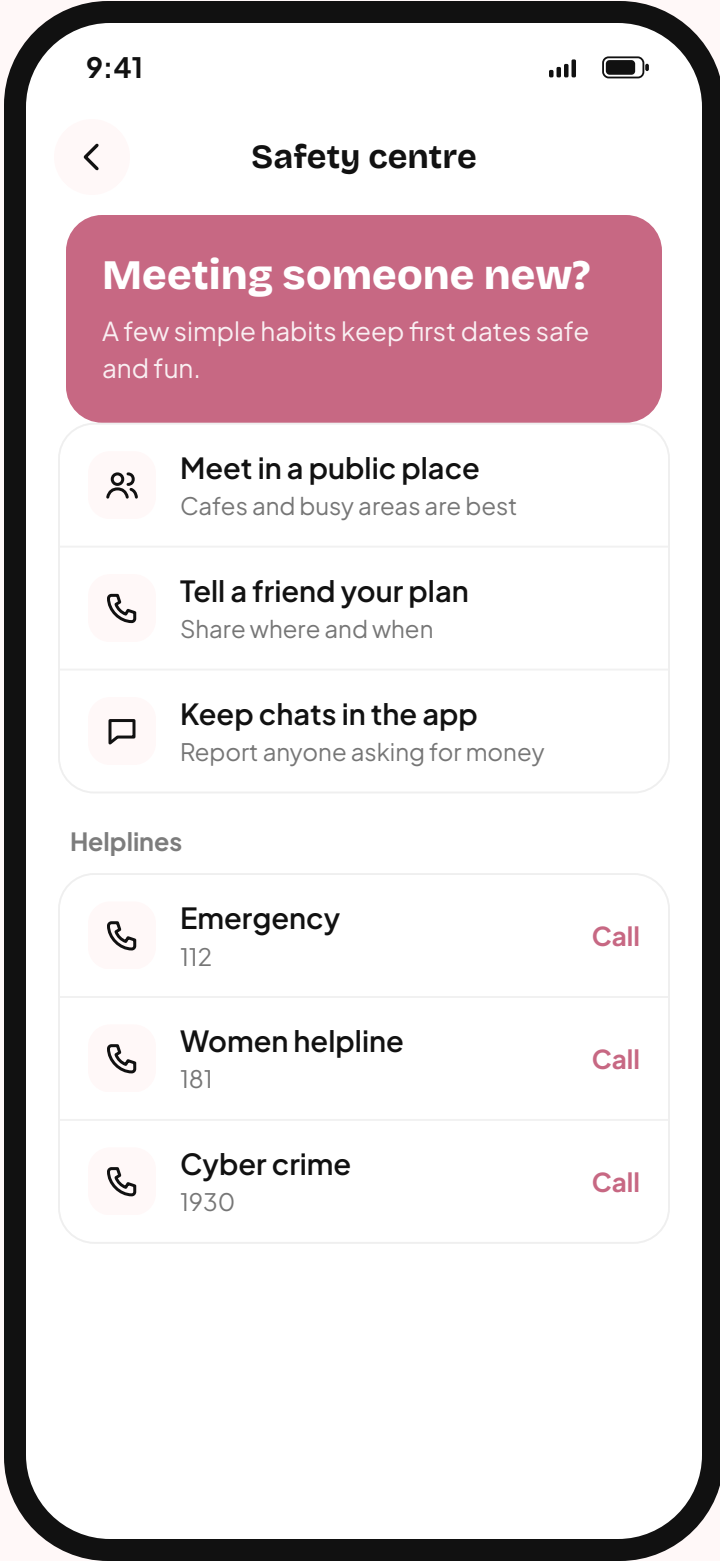

45 Devices
See and sign out sessions.

Safety and system

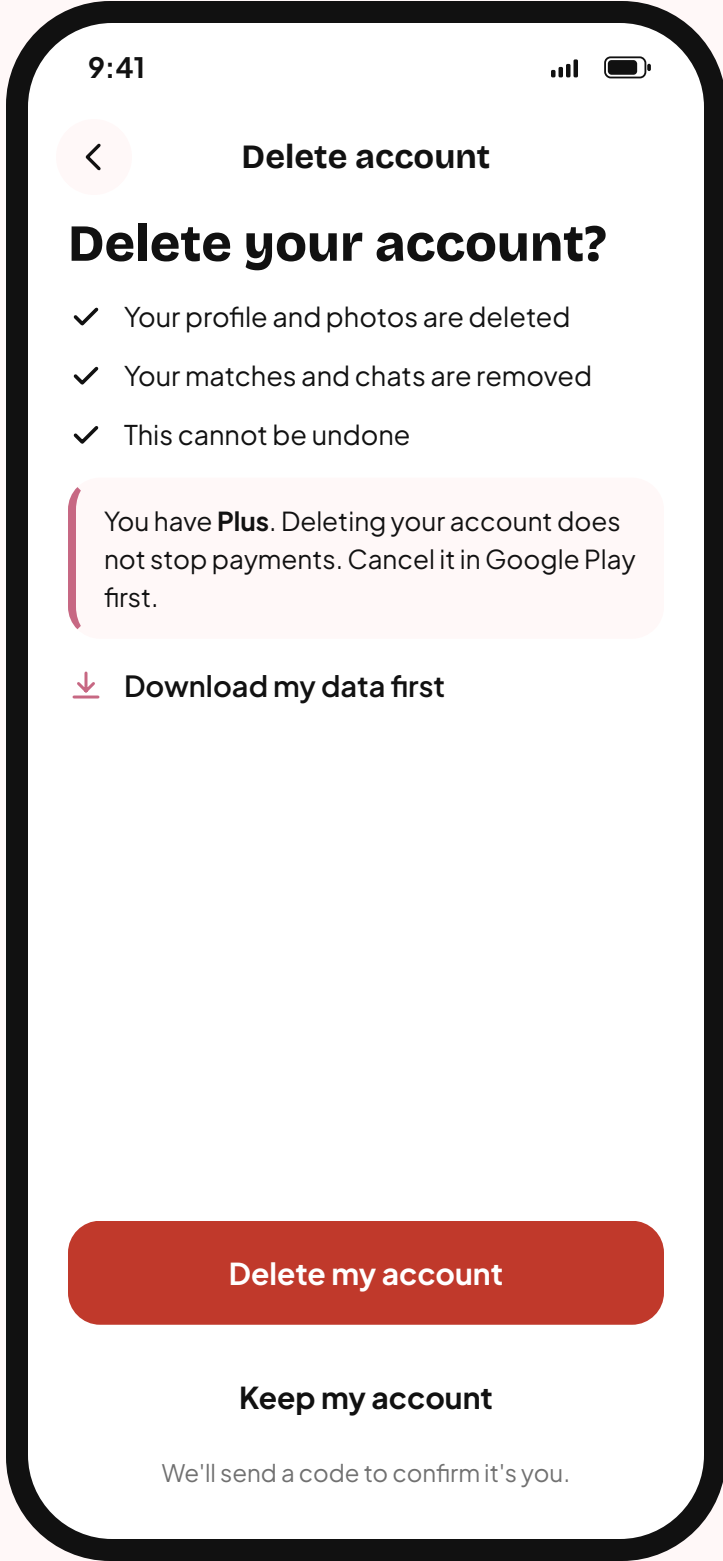

Reporting, help and the screens nobody wants to see.

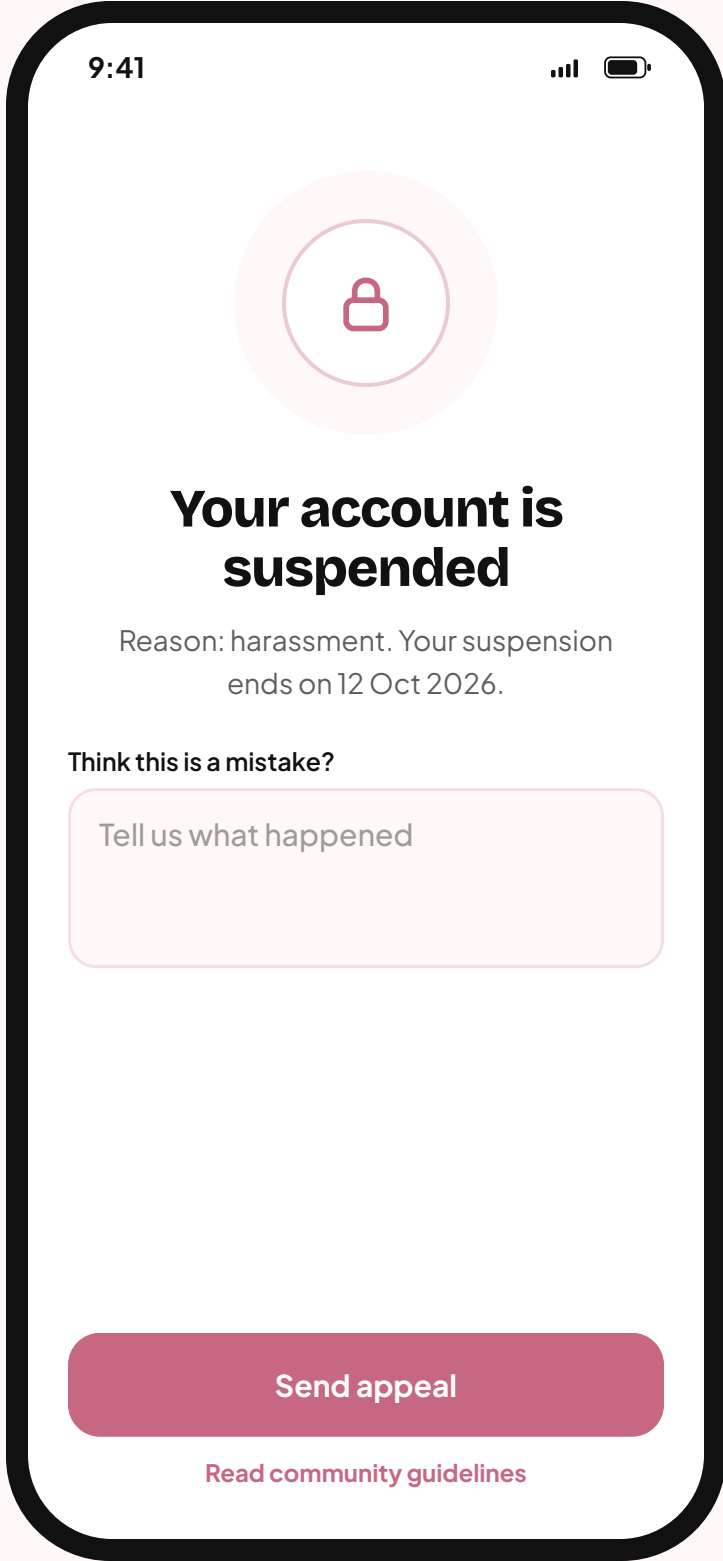

46 Report
Category first. Also blocks by default.

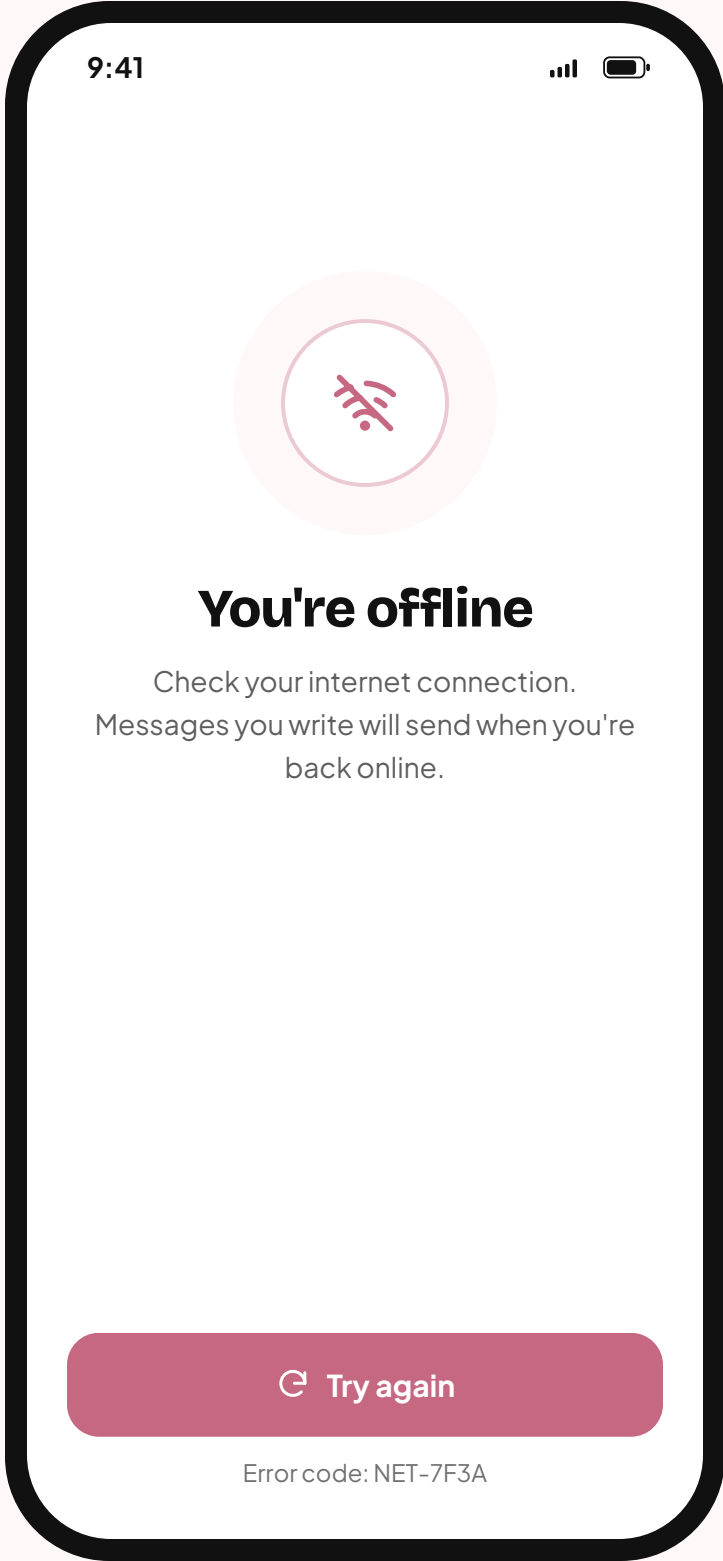

47 Safety centre
Tips and Indian helplines.

48 Delete account
Explains what happens, then an OTP check.

49 Account suspended
Reason category, end date and appeal.

50 Offline
Cached content stays visible when possible.
